

## Support Youth Sports!

The Minneapolis Park & Recreation Board is dedicated to providing quality recreation services and programs to the children of Minneapolis.

Youth Sports programs are offered year-round, providing safe, supervised opportunities for children to participate in recreational league play. In 2009, over 8,000 children participated in Minneapolis Park Board leagues!

We are asking for your support, as we strive to meet the Youth Sports needs of today's children, in extremely challenging financial times.

Our Goal is to provide each and every boy and girl, on each youth sports team, the advantage of having a high quality team uniform to wear when playing on a Minneapolis Park sports team.

Each time a child joins a team, puts on a uniform and plays in a game, they experience a sense of accomplishment and pride. Plus, they learn the valuable lesson of teamwork, sportsmanship and the importance of keeping active.
