

Wirth Park User Survey—Off-Road Cycling Demonstration Project

The Minneapolis Park & Recreation Board (MPRB), Minneapolis Off-Road Cycling Advocates (MOCA) and Minnesota Off-Road Cyclists (MORC) are working together to implement an off-road cycling demonstration project in a portion of Wirth Park (see map below). Visitor satisfaction will be measured to assist in evaluating this project. We are looking for information from all users of this parkland (eg walkers, cyclists, joggers, skiers etc.). Please take a moment to complete the following survey. The Minneapolis Park & Recreation Board values your input. Thank you!

Please complete and mail to address on reverse-side of survey by **August 30, 2004**.

1) How do you currently recreate in the project area (see map of Wirth Park)? *(Please circle all those that apply)*

Walk/Hike Off-Road Cycle Ski Trail Run/Jog Other _____

2) How many times per month do you visit the park in each season?

Summer _____ Fall _____ Winter _____ Spring _____

3) Do you experience conflicts with other users when you visit the project area (see map of Wirth Park)? Yes No
(Please circle one)

If yes, please indicate the type of conflict and how often it occurs.

4) How satisfied are you with your overall recreation experience in the project area (see map of Wirth Park)?

1 (not satisfied) 2 3 4 5 (very satisfied)

5) Cycling has occurred unofficially in the park for many years. To best understand the impact of the demonstration project on user satisfaction, we ask that off-road cyclists complete the following:

- a. How many times per month do you currently ride in the park? _____
- b. How would you rate your cycling experience prior to this the spring and summer of 2004?

1 (poor) 2 3 4 5 (excellent)

c. How often would you like to ride the trails per month? _____

6) So we can better understand where our park users live, please provide your zip code? _____

7) Additional comments?
