

Art ROCKS!

Art-Walk in the Kenwood School Forest

June 6-12, 2020

Kenwood School is partnering with the Kenwood Neighborhood Organization for a student-lead art exhibit in the Kenwood School Forest (East Cedar Lake Woods). We need your family's help to make this a successful community experience. Please help your children create something beautiful to remember this time of change.

Your Assignment

Use nature as an inspiration to paint an image on a smooth surfaced rock 5"-7" in diameter. (Ideas: flowers, trees, leaves, insects, rainbows, sunsets or anything else you think of!) Finished rocks will be placed along a path in the Kenwood School Forest for the whole community to enjoy for a 1-week art installation.

Where do I get rocks and paint?

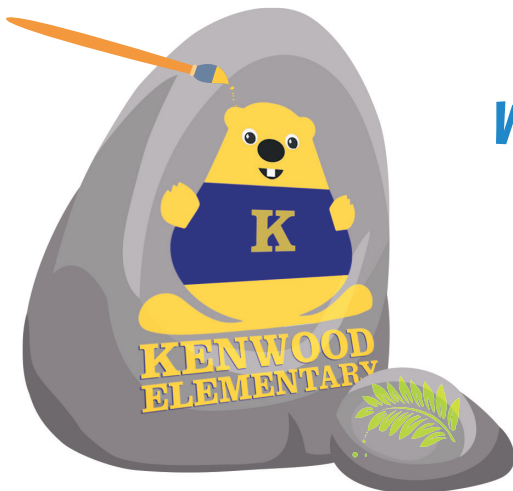

You can use your own rock and art supplies following size guidelines (5"-7" diameter stones) or pick up a rock and paint kit outside of ARTrageous Adventures (across the street from Kenwood School at 2121 W. 21st St.) on Tuesday, May 26 or Wednesday, May 27 between 8:00 a.m. and 6:00 p.m. There will be 40 rocks and art kits available each day on a first come, first served basis.

How do I get my rock placed along the path for the art walk?

Drop off your finished rock outside ARTrageous Adventures on Tuesday, June 2 or Wednesday, June 3 between 8:00 a.m. and 6:00 p.m. Your rock will be finished with a clear coat by ARTrageous to weatherize the paint for outdoor display.

Will I get my art-rock back?

Yes, we would like you to and hope you do! Rocks will be placed in the woods for a week and we hope they remain undisturbed through Friday, June 12. We invite you to return to the woods anytime Friday, June 12 through Sunday, June 14 to pick up your rock and take it home to your own garden. New homes will be found for any rocks that are still left in the woods at 7:00 p.m. Sunday, June 14th.

Thank you for your participation.

We are so excited to see what you will create!
