- The weather is always a consideration, and one that we can never predict, the weather policy is as follows:
 1. If there is a chance of inclement weather, the Concert Coordinator is in contact with the park staff and the performers the day of the event, and a decision is made together to continue or cancel. Since the weather can change rapidly, a final decision may be made as close to show time as possible.
 2. Audio equipment **MUST** be shut down if lightning is seen. Absolutely no exceptions. Be safe. Do not let electrical equipment get wet.
 3. In compliance with MPRB policy, if the Heat Index is 105° at 3pm, all evening activities will be cancelled. The Concert Coordinator will be in contact with the group prior to cancelling.
 4. There is no rescheduling of shows.
- You will be issued a parking pass by park staff to park inside The Commons Park. If you travel with a trailer please inform the staff upon your arrival and they will direct you. **PLEASE NOTE:** These parking passes do not allow for parking at City of Minneapolis meters. If you get a ticket at a City of Minneapolis meter you are responsible for the fine.
