The play equipment is appropriate and exciting for kids of different ages, which leads kids to play together in a way I've never seen at other parks. The configuration of the space means that kids have room to play freely but	8/30/2021 6:27 PM

41	How open it is on all sides	8/21/2021 7:26 PM

50	The large green space to utilize however we desire (i.e. volleyball, sun bathing, yoga class, run with your dog). I also love busy the basketball court is and the playground - always full of energy.	8/18/2021 9:56 AM

56	Mix of activities and people. Great multi-use park. Lots of ultimate and soccer in park. Like playing tennis and pickle ball.	8/17/2021 1:47 PM
57	It's location in the city, generally a nice spot for a park.	8/16/2021 8:51 PM
58	The placement of the basketball court near Lyndale. This gives it high visibility. The only issue is that basketballs at times roll into the street. A fence around the basketball court would help in this. Also, the amount of shade that the basketball court gets from the mature trees in the park.	8/16/2021 8:04 AM
59	Good location for South, Uptown, Kenwood locationally. Right on some main bus lines and or just blocks from the uptown terminal.	8/15/2021 8:38 PM

96	Basketball court	8/12/2021 5:41 PM
97	My kids like the playground and we like the mature trees by the playground/leading up to the playground. The basketball court is heavily used and should remain a key feature.	8/12/2021 5:16 PM

Q2 What do you dislike about Painter Park currently?

Answered: 92 Skipped: 20

#	RESPONSES	DATE
1	Tennis courts could definitely be updated and a pool and/or kids water feature would get a lot of use. Need more shaded areas and other features that make you want to stay awhile. Currently there's lots of space dedicated to the open field and baseball diamond but I wonder if it's used much.	9/7/2021 11:59 AM
2	It could use more shade and designated seating areas. The tennis court is always empty and seems like a waste of space.	9/6/2021 10:50 AM
3	Could use more shade	9/2/2021 6:44 PM
4	Play structure is outdated	9/2/2021 10:41 AM
5	Enclosed dog area would be used more than tennis.	9/1/2021 11:17 PM
6	Bathrooms are not open consistently. Feels like it could use another half court for basketball. I wish it was more inviting from the Lyndale side. Tennis court very rarely used.	9/1/2021 10:06 PM
7	Very little shade in the play areas for kids and families. This summer it was really hot with the direct sun and 90+ degree days	9/1/2021 9:32 PM
8	Becoming a little out of date, field can be a bit torn up at times, but generally I like the park.	9/1/2021 2:20 PM
9	Lots of unused flat space.	9/1/2021 2:01 PM
10	Outdated	9/1/2021 12:35 PM
11	Maybe make the ledges longer	9/1/2021 12:14 PM
12	No skate park	9/1/2021 12:14 PM
13	most of it	9/1/2021 12:06 PM
14	No skatepark	9/1/2021 11:42 AM
15	Lack of significant planting, flowers or specimen trees. Sidewalks need improvement. North sidewalk area on 33rd by baseball diamond floods and stays wet or icy for days.	9/1/2021 5:50 AM
16	The playground equipment could use some maintenance.	8/31/2021 4:36 PM
17	Not enough shade, few activities for adults and older kids who are not into team sports	8/31/2021 2:30 PM
18	I wish there was more tree cover, although I appreciate that in the winter there's space for an ice rink.	8/31/2021 1:59 PM
19	Parts of the playground feel a little generic and it is unshaded. I would love to see a playground with more uniqueness and personality, and maybe some natural elements.	8/31/2021 1:14 PM
20	Lack of barrier between basketball and street (balls roll into street)	8/31/2021 7:04 AM
21	I love it	8/31/2021 4:30 AM
22	Can't change this but the fact that it's off Lyndale. Attracts a lot of people not from the area since the basketball court is much nicer than others in the city. The basketball backboards have been broken multiple times by gunshots. The acrylic looks good but isn't worth it if it's going to get shot. Maybe go with another high quality backboard material (city of Richfield has some nice bball hoops). The grass is not well maintained so it looks like the fields are in rough shape.	8/30/2021 9:09 PM
23	That people run their dogs off leash or let their kids ride their trikes/bikes on the tennis court And that the net is often droopy	8/30/2021 9:02 PM
24	Too much space dedicated to recreation. Add waaaaay more native garden, more wildlife	8/30/2021 7:11 PM

Painter Park Phase 1 Improvements

	habitat. Less lawn. Less mowing.	
25	We love everything about it.	8/30/2021 6:27 PM
26	that there is little division between the basketball court and the Lyndale. It's not very 'pretty' looking from Lyndale in general	8/30/2021 3:13 PM
27	Put lights at the skatepark !!	8/27/2021 6:10 PM
28	It is behind the times.	8/27/2021 1:37 PM
29	The baseball diamond takes up too much space. Due to the fencing, the tennis court seems to cut off the park.	8/27/2021 11:01 AM
30	It has no skatepark	8/27/2021 12:47 AM
31	Unused ball fields	8/26/2021 11:39 PM
32	No skatepark.	8/26/2021 10:06 PM
33	Well frankly it doesn't have a skatepark	8/26/2021 9:51 PM
34	Tennis court needs work. Would love a water feature for hot days.	8/26/2021 4:59 PM
35	Nobody uses the tennis court	8/25/2021 11:12 AM
36	Tennis court is underused and has an ugly chain link fence. Athletic fields seem like a waste of space and the grass is always dead and beaten down. No skatepark present. Large trees were recently removed and new young trees have historically not been maintained well here. Crusty parking lot, waste of space.	8/24/2021 12:41 AM
37	No shade on the jungle gyms	8/22/2021 7:54 AM
38	No skate park :(8/21/2021 11:42 PM
39	Just starting to seem run down. But not severely.	8/21/2021 7:26 PM
40	Tennis court is worn out, sometimes the noise can be loud	8/20/2021 5:15 PM
41	Not much seating (especially on northern half), too dark (would love the lights to stay on), no nice ride stations, not enough bike parking	8/19/2021 1:07 PM
42	I have had problems with the intensity and occasional disrespect of basketball players on weekend evenings.	8/18/2021 11:52 PM
43	I would like to see: - More basketball capacity to meet the obvious demand - A lined soccer-field with goals for small-sided games	8/18/2021 7:32 PM
44	People lighting fireworks off at night. It would be good to have some kind of new lighting around the park to deter night time (after 10PM) activity.	8/18/2021 3:32 PM
45	It's a little rundown.	8/18/2021 2:41 PM
46	Needs more shade!	8/18/2021 11:59 AM
47	Not a lot of shade. Grass looks kind of scrubby. Tennis courts and fields seem under-utilized, especially in comparison to basketball court.	8/18/2021 11:16 AM
48	I don't really like the tennis/pickle ball courts, but that's just because I don't play those sports & I also don't see many people taking advantage of those spaces (unlike basketball and kids playground which people use all the time). I also don't like the large parking lot - I don't think there's a need for it.	8/18/2021 9:56 AM
49	Lack of mature trees	8/17/2021 9:39 PM
50	It would be nice if the basketball court was enclosed so the balls don't roll into the street. Huge safety concern. Also, the grass is terrible and not maintained. Not necessarily just this year due to the drought.	8/17/2021 4:47 PM
51	The overall impression that it is getting tired and in need of a refresh to maintain the green space better. Also that there are very few options for seniors. That is why the pickle ball court will be a welcome additionI think	8/17/2021 3:34 PM

Painter Park Phase 1 Improvements

52	Don't like how many trees have been lost through storms and disease. Need to plant more trees. Also, the native planting beds by the park building are rather neglected. Path through park not great.	8/17/2021 3:22 PM
53	Missing some of the big trees that created some sound barriers next to basketball court. Tennis court is too dangerous to play on currently with huge cracks. No-one uses baseball diamond- could be a green diamond.	8/17/2021 1:47 PM
54	The current quality/variety of amenities.	8/16/2021 8:51 PM
55	Out of bounds lines are not consistent over the length and width of the court.	8/16/2021 8:04 AM
56	We'll when we lived a block away the tennis court was too messed up to play, so once my kids outgrew the playgrounds there wasn't much left to do. Bryant Square became number one because of music, good baseball and soccer field. Skating in the winter etc. I've mostly had to drive my kids to parks in the suburbs or they take the bus now.	8/15/2021 8:38 PM
57	Not utilized to its full special potential. Only thing used there is basketball	8/15/2021 6:30 PM
58	All of it	8/15/2021 3:37 PM
59	Not enough good stuff to skate. Usually just end up going to street spots around the area til we get kicked out of all of them	8/15/2021 3:12 PM
60	Not including a skate space. I drive past the tennis courts every single day & have still not seen anyone using them for tennis. Please consider expanding the skatepark design to use elements of the park that are completely un used such as the tennis courts. If money is a issue then tell the skaters to build a custom / DIY park on the tennis courts. You will save money and get a unique park that is different In the process too	8/15/2021 3:10 PM
61	i have never been there but looks sparce and lonely	8/15/2021 1:34 PM
62	No skatepark	8/15/2021 1:14 PM
63	Needs more interactive stuff besides an open field that is rarely used.	8/15/2021 1:05 PM
64	Out dated	8/15/2021 11:55 AM
65	A water fountain and a couple lights for night skate!	8/15/2021 11:33 AM
66	Baseball field is never used and there is a lot of Non occupied space	8/15/2021 11:05 AM
67	It's low utilization of space	8/15/2021 10:45 AM
68	Parking	8/15/2021 10:29 AM
69	No skatepark or bike park	8/15/2021 10:24 AM
70	nothing	8/15/2021 9:55 AM
71	There is no skatepark!	8/15/2021 9:09 AM
72	spotty shade	8/14/2021 6:20 PM
73	no skatepark	8/14/2021 12:19 PM
74	The tennis courts seem a bit run down and there's no skate park. Yet!	8/13/2021 7:02 PM
75	There's no skate park!	8/13/2021 6:42 PM
76	No skatepark	8/13/2021 6:30 PM
77	There is no skatepark and lots of empty space.	8/13/2021 2:22 PM
78	It is in need of updates. It should have more things to offer the people in the community.	8/13/2021 1:03 PM
79	It has no skatepark.	8/13/2021 12:53 PM
80	Feels like a lot of wasted space	8/13/2021 12:44 PM
81	The music always being played by the kickball people.	8/13/2021 12:03 PM
82	Its old and weathered with nothing to actually do.	8/13/2021 11:25 AM

Painter Park Phase 1 Improvements

83	Run down, not much variety	8/13/2021 11:21 AM
84	No skatepark	8/13/2021 10:54 AM
85	The look of the park. Looks run down and old. The green bush weeds growing out over the sidewalks. Mismatched concrete.	8/13/2021 10:45 AM
86	The condition of the court and how crowded it gets. There needs to be a second court in place of the tennis court which far fewer people use. You could probably fit a second basketball court and a pickleball court of that's what you are going for. Also there should be a high barrier between the court and the street so balls don't roll into the street.	8/13/2021 10:42 AM
87	Not enough skate options	8/13/2021 10:40 AM
88	No skatepark	8/13/2021 10:35 AM
89	Wish it had an inclusive playground for kids in wheelchairs	8/13/2021 9:55 AM
90	The tall chain link fences of the tennis court are unappealing, ugly. Needs more landscaping, trees and plants. Better, more direct lighting.	8/13/2021 9:24 AM
91	I don't use other amenities	8/12/2021 5:41 PM
92	The tennis courts do not seem to be as well used. The "entry" areas to the park could be enhanced. Add more benches or informal seating. It is nice to grab ice cream or coffee from across the street and go into the park to hang out.	8/12/2021 5:16 PM

9	Really like the addition of the skate park concept and also definitely like the native pollinator landscaping. Pickle ball is an incredible sport too so I'm glad to see that included. The whole thing looks well designed.	9/1/2021 2:20 PM
10	It doesn't take up too much space, it is ecofriendly and adapts well to the existing environment, and would allow more activities to go on in that space.	9/1/2021 2:01 PM

19	It looks good to me!	8/31/2021 2:53 PM
20	Community gathering space, terraced seating, Boulder scramble	8/31/2021 2:30 PM
21	I like the added landscaping / tree cover.	8/31/2021 1:59 PM
22	It is exciting that you are thinking of putting in a splash pad, but again, a unique splash pad that isn't like all the rest in every other park.	8/31/2021 1:14 PM
23	Green space	8/31/2021 7:04 AM
24	Pollinators and edible plantings, boulders to sit on.	8/31/2021 4:30 AM
25	The additional athletic fields. Any chance these fields are large enough for youth lacrosse? It would be great to get a lacrosse field on the south side of the city.	8/30/2021 9:09 PM
26	I like that the fields will remain! I love looking out at the fields while I'm on my call.	8/30/2021 9:04 PM
27	I love that their is finally a full bball court! I love the skate park. I love that you're refinishing the tennis court.	8/30/2021 9:02 PM
28	Skate park! Love it!!	8/30/2021 8:56 PM

29	Bouldering area and Skate park	8/30/2021 8:31 PM
30	I love that you're adding the terraced seating to the basketball court, that court is used constantly and there's nowhere to sit right now. Skatepark is a great idea	8/30/2021 8:17 PM
31	I think the addition of native plants is a great idea. Adding a shaded wading pool where the parking lot used to be is good. I like that the park isn't being dramatically changed.	8/30/2021 6:27 PM
32	seating for basketball court	8/30/2021 3:13 PM
33	Skate park is a great idea.	8/29/2021 1:48 PM
34	It looks like a nice park	8/27/2021 6:10 PM
35	Everything! Especially the skate park. Glad to see a new basketball court and the terraced rock seating looks pretty cool too. Trees on the south and west sides always help with afternoon shade.	8/27/2021 1:37 PM
36	The skatepark. Community gathering area. more seating.	8/27/2021 11:01 AM
37	It has a skatepark	8/27/2021 12:47 AM
38	The skatepark	8/26/2021 11:39 PM
39	Skatepark.	8/26/2021 10:06 PM

41	Water feature	8/26/2021 4:59 PM
42	I'm excited for the skatepark and I am glad it is on the corner	8/25/2021 11:12 AM
43	Enlarged skatepark. Rotated basketball court to allow for more skate space and breathing room/social space. The bouldering/gathering area will make for a nice zone, but it should be flipped vertically so that the bouldering blends into the playground and the social gathering area blends into the basketball court.	8/24/2021 12:41 AM
44	I like the pollinator gardens, splash pad, seating for the basketball games, and accessible areas.	8/23/2021 9:10 PM
45	I like that the playground is similar sized and the splash pad. Still open field which is nice.	8/22/2021 7:54 AM
46	The skate park	8/21/2021 11:42 PM
47	I like the skatepark placement	8/21/2021 7:26 PM
48	Upgraded Tennis court,	8/20/2021 5:15 PM
49	I like the addition of the skate park as there isn't one nearby. I also like the seating being added near the field	8/19/2021 1:07 PM
50	Retention and improvement of the tennis courts. the 90 degree turn of the basketball courts may prove beneficial - have to wait and see. The skateboard area is an unknown.	8/18/2021 11:52 PM
51	I'm excited about: - Splashpad - Skate park - Tree buffers - Reorientation of the basketball court - fewer balls rolling into Lyndale! - Tree buffers	8/18/2021 7:32 PM
52	I like that there is a tennis court and pickle ball court. I like that there is 1 basketball court. I'm hoping there will be good lighting throughout the park at night. I like a high berm along Lyndale Avenue and various kinds of trees for year round seasonal interest.	8/18/2021 3:32 PM
53	Re-built courts (they need it) and improved paths	8/18/2021 2:41 PM
54	Improved landscaping with native pollinator-friendly plants - sounds visually pleasing and environmentally-friendly (make sure plants in strips adjacent to courts are hardy enough to be walked on). Curious to see how the skate park will be used. Glad there will still be a full-court basketball court since this is the most-used sporting feature in the park. The new community gathering area in the middle will be nice.	8/18/2021 11:16 AM
55	The skate park is great & I like the boulder scramble area for kids to play, too.	8/18/2021 9:56 AM
56	To keep the tennis court is a great idea!	8/17/2021 9:39 PM

57	The splash pad and skate park will be fun for the neighborhood.	8/17/2021 4:47 PM
58	I think it reflects a reasonable amount of change that will reflect the community around it.	8/17/2021 3:34 PM
59	The integrated entryway and path into the park. The addition of trees (although many are being taken away by the reconfiguration of the amenities). The addition of more interesting and fun seating spaces.	8/17/2021 3:22 PM

Q4 What do you dislike about the proposed park concept?

Answered: 91 Skipped: 21

#	RESPONSES	DATE
1	Keeping the tennis court seems silly when it is never used and there are other tennis amenities nearby.	9/6/2021 10:50 AM
2	Nothing	9/2/2021 6:44 PM
3	Nun	9/1/2021 11:41 PM
4	Basketball should have more seating around it. A berm to keep balls from going into Lyndale would be better (like in Master Plan). Space around tennis could shrink, basketball courts get way more use. Boulder scramble as play seems weird- not sure people will use it / let their kids use it.	9/1/2021 11:17 PM
5	Feel like a lot of basketballs will go into the street. I just don't see the demand for the tennis courts. The circle drive with parking is a huge waste of space. Angled parking on the street would make for more useable park space.	9/1/2021 10:06 PM
6	What is happening with current trees? I know that we can plant more, but the small little trees will not provide shade for 20+ years. I would like to see keeping as many trees as possible. Also, I see people on the basketball courts literally every single day, all the time. I usually do not see people using the tennis courts. I vote to make 2 basketball courts.	9/1/2021 9:32 PM
7	Not much to comment on - looks pretty good!	9/1/2021 2:20 PM

13	Not enough transition ramps in skatepark	9/1/2021 11:42 AM
14	I don't drive there, so it's not a big deal for me, but I'm sure some patrons appreciate there being a parking lot.	8/31/2021 4:36 PM
15	With the new basketball court orientation there will need to be a tall fence along Lyndale to prevent balls from going onto the busy street. Not sure if this is part of the design. Also, the combined Tennis/pickleball striping looks confusing so not sure if I would have my kids play there.	8/31/2021 2:53 PM
16	Could we add adult monkey bars and running track around the field?	8/31/2021 2:30 PM
17	I can't tell if this design would still allow for an ice rink in the winter	8/31/2021 1:59 PM
18	The gathering spaces have a lot of rock/concrete. I would rather see more wood/trees/shade/water.	8/31/2021 1:14 PM
19	Need a fence or barrier between basketball and Lyndale Ave	8/31/2021 7:04 AM
20	Please do not eliminate parking-- all ages need to use a car.	8/31/2021 4:30 AM
21	The skate park. Honestly, it brings people not from the neighborhood which is rarely a good thing in Minneapolis...	8/30/2021 9:09 PM
22	The skatepark seems small, but I don't see how you could fit it in otherwise without losing the open field.	8/30/2021 9:02 PM
23	No big objections	8/30/2021 8:17 PM

Painter Park Phase 1 Improvements

24	Way too little native garden. Come on! That's ridiculously small area to support pollinators and wildlife. Reduce recreational area. Reduce mowing. Ban pesticides and herbicides. Stop with wasteful, wildlife hostile lawns dominating parks.	8/30/2021 7:11 PM
25	The area where the tennis court/basketball courts/skate park is seems crowded. I'm concerned about removal of the trees—they're a lifesaver on our increasingly hot summer days.	8/30/2021 6:27 PM
26	no landscaping south of skate area	8/30/2021 3:13 PM
27	Need for additional basketball courts in terms of the number of users served. Nearby Bryant Park only has 1/2 court.	8/29/2021 1:48 PM
28	No lights there	8/27/2021 6:10 PM
29	Are the courts going to be that grey color?	8/27/2021 1:37 PM
30	I feel that the tennis court and baseball diamond are elements that take up a lot of space, but are not used nearly as much as an open field would.	8/27/2021 11:01 AM
31	The skatepark is not big enough proportionate to the other features	8/27/2021 12:47 AM
32	Nothing	8/26/2021 11:39 PM
33	Nothing.	8/26/2021 10:06 PM
34	Hard to say already a great park and adding a skatepark would be a huge benefit to the community	8/26/2021 9:51 PM
35	Skate park and basketball court seem to close.	8/26/2021 4:59 PM
36	ten times as many people use the basketball court as the tennis court. Why did you get rid of the second basketball court?	8/25/2021 11:12 AM
37	While I appreciate rotating the basketball court for more skate space, I really dislike the last minute replacement of the additional basketball court as originally planned for the bulky tennis court. It's unfortunate that because of this, basketball players will have to deal with a less than ideal east-west layout. I'm also curious as to why the expanded tree grove didn't make it into this project even though it falls within the project area. That's a nice area of the park to sit and hang out, and additional trees would help make it more pleasant and inviting.	8/24/2021 12:41 AM
38	I think it's a poor choice to remove the playground and swing area. As the splash pad is only usable for a few short months of the year, that would leave almost no portion of the park for younger children. Many families in the area have young children who enjoy the playground. Please include some playground aspect to the park!!	8/23/2021 9:10 PM
39	I am worried about the removal of big trees and then planting time trees and losing shade. Also when my kids are playing I was them to have access to shaded areas of the jungle gym.	8/22/2021 7:54 AM
40	Idk	8/21/2021 11:42 PM
41	Nothing. The refresh looks great!	8/21/2021 7:26 PM
42	looks good, I hope there is some noise abatement planned for Tennis court and skate board. Sad that some of the big trees will be cut down to accommodate the changes.	8/20/2021 5:15 PM
43	Would love some seating along the field on eastern end. Would also like to see the parking lot removed.	8/19/2021 1:07 PM
44	nothing specific. It will depend on the users of the spaces provided.	8/18/2021 11:52 PM
45	I think a second basketball court should be added, rather than a tennis court. If memory serves, I believe a second court was the initial result of the CAC process but was overruled later. As an avid tennis player and basketball player, I obviously value both, and I do see the case for having a mix of uses at a park -- especially since the new tennis court would be lined as well for pickle/paddle-ball. That said, I believe the case for a second basketball court is stronger, much stronger, than the case for a tennis court. As my visits to the nearby Lyndale Farmstead courts regularly demonstrate, the demand for tennis is substantially reduced from what it once was--it's rare to ever have to wait for a Farmstead court. Second, the demand for basketball at Painter is glaringly obvious--there are so many people there to play on many summer weeknights that I don't even go anymore, because I wouldn't want to wait that long for a game! Third, basketball courts serve equity needs much better than tennis; speaking very	8/18/2021 7:32 PM

Painter Park Phase 1 Improvements

broadly, tennis players tend to have more privilege and the flexibility to go to another nearby court (see: Farmstead, or MLK). Fourth, some of the opposition to a second court that was voiced through the CAC process employed racialized language to impugn the "loud" and "argumentative" basketball players, which I found problematic but also absurd--aren't parks places to go to be a little loud? For all these reasons, on balance I think it makes sense to have a second basketball court (or even, potentially two additional HALF-courts creatively oriented).

46	I do not like the skateboard park. This will be loud at all hours day and night riding the rails. I also feel that many people will come to the park by driving a car and there is no off-street parking. Congestion at the corners of 33rd & Garfield, 34th & Garfield is dangerous as cars park right up to the corner and it's hard to see around the corner. Maybe create space at the corners so cars cannot park right up to the corner.	8/18/2021 3:32 PM
47	It is not all going to get done at once.	8/18/2021 2:41 PM
48	Will basketballs be constantly thrown into the street do to this orientation.	8/18/2021 11:59 AM
49	There are often a lot of spectators at basketball games. I'm concerned there's not enough space around the court to accommodate the number of spectators. I suggest a mix of seating and standing room. Makes sure plants around the court are hardy enough to be walked/stood on - or use permeable hardscaping. It would also be nice to have some sort of barrier (plants, rocks) off of the west end of the basketball court to help keep basketballs from rolling into Lyndale, which happens sometimes. Make sure to include plentiful trash and recycling receptacles adjacent to the courts. There's often trash and recycling left behind on the ground after games.	8/18/2021 11:16 AM
50	I don't see any grills or much additional seating surrounding the park. It would be nice to have more benches lining the park, or Adirondack chairs so people didn't need to bring lawn chairs.	8/18/2021 9:56 AM
51	I hope there will be some noise mitigation measures (like bushes/trees) for the skatepark. Happy to see one in my neighborhood, but skateboards make a lot of noise too.	8/17/2021 9:39 PM
52	There needs to be a fence on the west and north sides of the bball court.	8/17/2021 4:47 PM
53	As presented there is nothing I dislike.	8/17/2021 3:34 PM
54	I feel like the skate park is too massive. Looks like it is the single largest specific use now other than the ballpark (which is only intermittently used as a ballpark – also used for Frisbee, dog walkers, picnics, sunbathing, etc.) Also dislike how all the elements are crammed up against Lyndale. That nice green buffer of trees and grass is gone. Another negative is moving the basketball court closer to the playground and little kids - less family friendly.	8/17/2021 3:22 PM
55	Want to make sure full size tennis court. It might be helpful to have some more plantings/natural sound barriers between park and skate park.	8/17/2021 1:47 PM
56	That it cannot be bigger.	8/16/2021 8:51 PM
57	The preference would be for the basketball court to run north/south verses east/west due to sun implications. It also looks like mature trees would be removed on the west side of the park in this design.	8/16/2021 8:04 AM
58	Because there's 2 baseball fields 2 blocks away at Bryant Square that the setup could be better. 2 courts For basketball, 2 For tennis and make the skatepark bigger. Having the sidewalk shrink the park to the corner seems odd. Why not use both sides of the walk and scrap the baseball field.	8/15/2021 8:38 PM
59	Don't need two athletic fields, should make the skate park bigger. Driving by - you always see a skatepark being used. Two fields? Not always used.	8/15/2021 6:30 PM
60	Needs a water fountain	8/15/2021 3:37 PM
61	Should make the skatepark bigger	8/15/2021 3:12 PM
62	A somewhat similar proposed design for the skatepark that has elements from existing parks. Please make each park unique and different and have features you can only find at 1 skatepark copy and paste skateparks are boring	8/15/2021 3:10 PM

softball has been hit and landed like feet away from is too many. even with the biggest and ugliest fence i've seen. i would think trees would do a better job and look nicer.

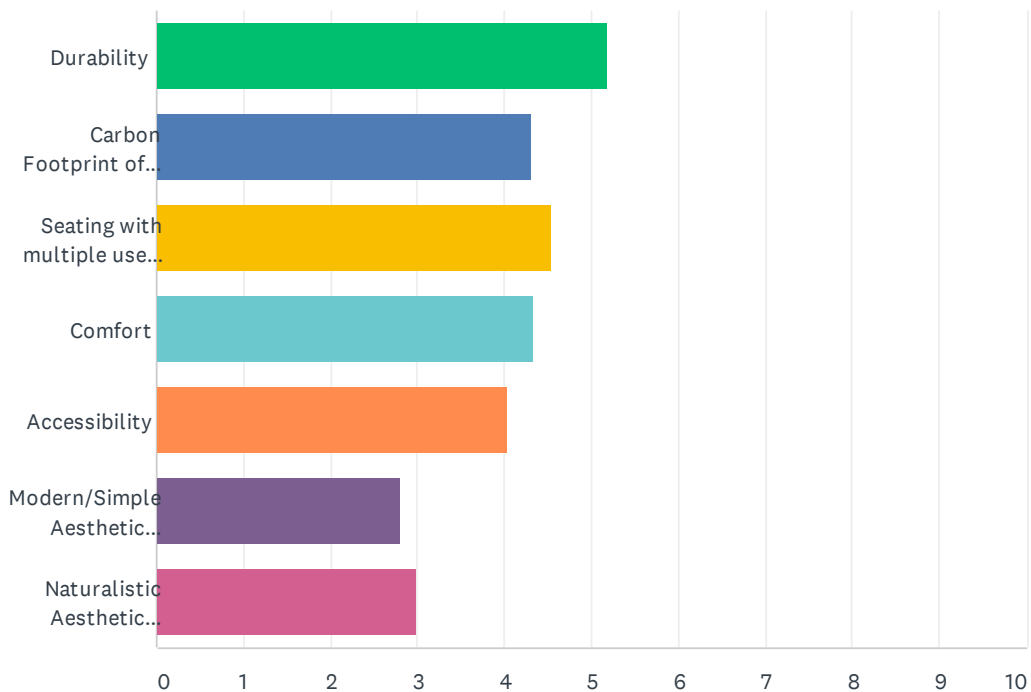

64	BMP could be larger. Maybe some islands bmp to break up concrete and add shade (not one whole slap of concrete)	8/15/2021 1:14 PM
65	Lots of people gather at this park to play basketball so it may benefit to have two full courts but I don't know how that's possible.	8/15/2021 1:05 PM
66	Not a huge deal but if the pollinator space is on the opposite side it could keep bees away from populated spots	8/15/2021 11:55 AM
67	Extend the stair set landing area it's kinda skinny. A movable butter bench would be super cool.	8/15/2021 11:33 AM
68	How small the space for the skate park is	8/15/2021 11:05 AM
69	Distance away from community gathering space, could benches/tables be incorporated near the park? This makes a park more inviting.	8/15/2021 10:45 AM
70	Kind of a small area could be a little bigger. Please put a shade covering at the park. If not a drinking fountain	8/15/2021 10:29 AM
71	I would also like to see the inclusion of a bike park	8/15/2021 10:24 AM
72	There is nothing I dislike about the concept. It is a great use of the limited space available.	8/15/2021 9:09 AM
73	nothing!	8/14/2021 12:19 PM
74	No issues with me!	8/13/2021 11:25 PM
75	The skate park could be bigger	8/13/2021 7:02 PM
76	I wish it would include bowls and/or half pipes because they are much more interesting to skate than street style	8/13/2021 6:42 PM
77	Skatepark is small	8/13/2021 6:30 PM
78	Nothing.	8/13/2021 2:22 PM
79	Wish there were 3 basketball courts and no tennis court	8/13/2021 1:03 PM
80	Skatepark should be bigger	8/13/2021 12:53 PM
81	Not excited about the skate park and unhappy that a bunch of trees will probably be killed to make room for it. It doesn't matter that you will plant more. Parks keep planting trees that get killed for renovation before 10 years roll around. This is very disruptive to wildlife. You have poor long term stewardship.	8/13/2021 12:03 PM
82	Honestly no issues	8/13/2021 11:25 AM
83	Skatepark is only "street style" alienating 50% of skaters who skate ramps and transitions	8/13/2021 11:21 AM
84	There could be more space devoted to skatepark as there are plenty of unused baseball fields already	8/13/2021 10:54 AM
85	Nothing I think it will be a nice addition.	8/13/2021 10:45 AM
86	No second basketball court. Seriously do a study of use on the basketball court and tennis court, the basketball court gets way more use. I play there several times a week. There are several tennis courts just a few blocks away and it seems like people go there to play tennis, so a new court would be fulfilling something that isn't needed	8/13/2021 10:42 AM
87	The skatepark is small	8/13/2021 10:35 AM
88	No playground	8/13/2021 9:55 AM
89	Wish the single tennis courts were multiple pickle ball courts. This would create better multi-generational activity zone with the opportunity for greater numbers of participants.	8/13/2021 9:24 AM
90	I don't think the tennis court is needed.	8/12/2021 5:41 PM
91	The basketball courts being E-W would invite balls into the street and is not the ideal	8/12/2021 5:16 PM

configuration. Could tennis turn instead since it is bounded by fence? The entry area needs to focus on entry to the park and it feels too oriented to the street right now. Really think about the community gathering area and how it is interfacing with the playground. Just don't do an add on without considering the whole context please. Thank you!

16	With the skatepark, please don't try to serve every type of skater with this park. Focus on a specific type of skater (my vote for this park is s street skater that likes to skate ledges) and create a good park for them. Also consider what this skatepark adds to the whole system. Right now Elliot is a good flow park, so a ledge style park with no (or few) transition elements would be good for the skatepark system. Also, the foot print of the skatepark doesn't loan itself to being a transition (ramp/quarterpipe) oriented skatepark. Skate plaza, not skatepark	8/27/2021 11:07 AM
17	Street style spots modeled after famous Minneapolis skate spots. Make it have a lot of flow so you can skate fast around the park and hit all the obstacles in one run	8/27/2021 12:48 AM
18	Anything would be better than what's there now.	8/26/2021 10:08 PM
19	Just make it!!!	8/26/2021 9:52 PM
20	A low impact street plaza with a healthy amount of open space would be great. I'd like to see ledges of varying height, including possibly a Cali-style slappy curb, a manny pad at or close to curb height, a mellow hip, maybe a 3-5 stair. Keeping things straight and simple would be preferred (as opposed to adding bends and curves in the ledges/manny pads).	8/24/2021 12:45 AM
21	Defiantly work with local skaters - they know best	8/19/2021 1:08 PM
22	Have signs indicating the skate park closes at 10PM.	8/18/2021 3:33 PM
23	Please include shade, preferably trees but also in other forms	8/18/2021 12:00 PM
24	I didn't change anything for the above 2 questions - it doesn't make a difference to me!	8/18/2021 9:57 AM

Painter Park Phase 1 Improvements

25	Please make sure to include noise mitigation measures such as trees/bushes. It would be best to limit skateboarding during the evening by turning off the park light at a reasonable hour.	8/17/2021 9:43 PM
26	As neighbors to this park we are very concerned about the noise impact this will have both on the neighborhood and on other quieter park uses. Hope that noise mitigation will play a major role in how this is designed. (And not just mitigation towards Lyndale but towards the park itself.)	8/17/2021 3:25 PM
27	Please integrate noise mitigation	8/17/2021 3:09 PM
28	This is probably one of the smallest parks in the City and certainly the closest skate park to residential homes - please make it as quiet as possible and discourage late night or all night skating.	8/17/2021 1:50 PM
29	Match Stoner park in Santa Monica like the original pictures from MPRB's original pictures of the skatepark at Painter several years ago now	8/15/2021 8:43 PM
30	Fix armatage plz	8/15/2021 6:32 PM
31	Make the long quarter pipe end section into a small mini ramp/halfpipe	8/15/2021 3:38 PM
32	Please do research on what a street based skatepark is like. It has features that mimick the street spots that can be found around town. Perhaps if you include features that are replicas of places that skaters get kicked out of by security in downtown Minneapolis it would reduce the amount of skaters going to the actual spot & encountering security	8/15/2021 3:15 PM
33	look at shoreview skatepark and Ojibway skatepark. shoreview looks good on images but when i first went i was disappointed it get congested with only 10 people there and theres no freedom or creativity to skating it. but Ojibway is the opposite and is loved by many	8/15/2021 1:42 PM
34	Rails should be high enough for all sports to grind. Example Elliot park rails are too short for bmx. Slanted ledges are trash. Make them 90°. Maybe a vert wall or something unique. Not so generic.	8/15/2021 1:17 PM
35	As a roller skater it can be hard to get your skates up high to jump on a rail so low rails are amazing! The rail at Elliot is a dream come true! It would nice to have a low rail next to stairs!	8/15/2021 1:09 PM
36	A pump track for all skill levels to help progression and help people learn how to move on a skateboard before getting in the middle of the park.	8/15/2021 12:03 PM
37	Open space and not having the park too jam packed with obstacles. Good ledges a nice flat bar on the ground. A small stair set with a handrail. And good flow	8/15/2021 11:07 AM
38	Make it flow! More room for lines in the park the more people can ride without bumping into one another	8/15/2021 10:31 AM
39	Flow and nonlinearity are hugely important. The ability to skate a park multiple ways rather than as a "hallway" is really important	8/15/2021 10:26 AM
40	The hip at Elliot has terrible dimensions and doesn't feel good to skate, if there's a hip at painter try to make sure the dimensions are right.	8/15/2021 10:10 AM
41	excellent job with this survey. making sure those who'll use it most have specific input!	8/14/2021 12:21 PM
42	Elliot plaza is awesome use it as guidance but don't make it the same though	8/14/2021 2:16 AM
43	Less is more. A more minimal approach with ledges, manual pads, and good flat ground. Maybe a flat bar or slappy curb.	8/13/2021 11:29 PM
44	Buy or pour actual curbs, a parking block is better than the weird one piece bank/curb combo. Also maybe some shade would be greatly appreciated, bamboo would be nice because it grows pretty fast but still hardy enough for Minnesota winters.	8/13/2021 7:05 PM
45	Bowls and half pipes!	8/13/2021 6:42 PM
46	Prioritize the hip feature	8/13/2021 6:32 PM
47	Something like the new Elliot skatepark would be perfect.	8/13/2021 2:26 PM
48	Euro gaps are fun. Lights are amazing.	8/13/2021 12:57 PM
49	Too many MN skateparks are already focused on rails and stairs. We need more with	8/13/2021 11:27 AM

Painter Park Phase 1 Improvements

simplicity meaning more ledges and manual pads and just flat open space with well made simple objects for skating. No one wants a mini Street League course like SLP made.

50	There are simply not enough skateparks with transition/flow elements in the twin cities. See the new Lauridsen park in Des Moines for how to do it right.	8/13/2021 11:24 AM
51	Transition snakeruns would be a huge addition	8/13/2021 10:55 AM
52	Make it look appealing to everyone. Makes the park look better as a whole if the skatepark looks nice.	8/13/2021 10:47 AM
53	Please make sure there is good flat ground. Simplicity is better than trying to put too many things into a small space!!!	8/13/2021 10:40 AM
54	Good flow	8/13/2021 10:34 AM
55	Put in lights on a timer like Elliot Skate Plaza. Use different colors on concrete for better appearance.	8/13/2021 9:29 AM
56	Don't try to cram in too much. This is not the scale of park that can provide everything. Make sure that there is enough flat ground. Less is more.	8/12/2021 5:44 PM
57	Primarily should be driven by those who skate without being detrimental to the other program uses within the park.	8/12/2021 5:18 PM

4	Seems overkill to have 2 future bus stops on this block on Lyndale - maybe there is only 1, at one of the 2 spots noted? The southern one closer to the rec center is better.	9/1/2021 11:25 PM

22	The basketball courts are ALWAYS busy, so those seem to be pretty important	8/30/2021 8:19 PM
23	Yes! Conservation, habitat connectivity for pollinators and more than a trivial, miniscule space for native plantings. This design ignores climate change and need or more trees, more native gardens, less asphalt, less lawn. Terrible.	8/30/2021 7:14 PM
24	Accessible for wheelchairs & strollers, built to withstand and adapt to our changing climate	8/30/2021 6:29 PM

29	Nope very happy with the design	8/26/2021 9:53 PM
30	More playground and swing area for kids!!	8/23/2021 9:11 PM
31	1) as climate change happens and this summer showed us the heat, we found that we could not use the playground at certain times because the equipment was so hot with direct sunlight. Shade is necessary to plan for the next few years. 2) I do not use the basketball or tennis courts. But the basketball courts are usually full and the tennis courts seem mostly empty. I honestly think the people who are advocating for a tennis court and afraid of "those people" playing basketball.	8/22/2021 7:58 AM

35	Soccer fields! Our immigrant populations especially would make great use of lined fields with available goals, I think.	8/18/2021 7:33 PM
36	Make sure to incorporate enough night time lighting. There are many drug deals that happen at night in the park and along Garfield Avenue. This happens during the day too. Keep in mind safety for 24 hours a day.	8/18/2021 3:38 PM

39	Thoughtful implementation of benches THROUGHOUT the park, not just concentrated in the new high traffic center area. Planting MANY more trees! Landscaping along Lyndale. Are new bike racks/parking factored into this design to be situated near the courts and skatepark?	8/17/2021 3:27 PM
40	Make sure that there is noise mitigation- and that the green spaces remain wide open and usable. They are a beloved part of the park.	8/17/2021 3:11 PM
41	This looks great. There can be a lot of spectators for the basketball games - so benches between the skate park and courts will be helpful. I like the limestone benches.	8/17/2021 1:53 PM

Painter Park Phase 1 Improvements

55	Don't want the whole area lit up like a christmas tree. Decent lights on the path, but let's not contribute even more to the heinous level of light pollution emanating from this city. Nature is not supposed to be bright at night.	8/13/2021 12:07 PM
