1	The ship theme structure looks like a lot of fun and would be a great place for kids to imagine and play together. Maybe there could also be a climbing net attached to the ship. The agility course would be fun for a wide age range	1/14/2022 8:51 PM
2	I like the ship theme, which is how this playground is identified to families in the neighborhood. I like the teeter totter.	1/14/2022 9:01 AM
3	Very creative, and is in keeping with the previous equipment, which was beloved by our children	1/9/2022 8:48 PM
4	Really like the ship, and it's in keeping with the old ship that was removed	1/6/2022 11:48 AM
5	Really like the ship design, tunnel & swings	12/30/2021 2:05 AM
6	There are a number of different types of activities proposed. And the footprint of the playground is not expanded.	12/29/2021 12:19 PM
7	Good	12/24/2021 2:45 PM
8	It looks inviting but it appears mainly geared towards small children. It is too passive in regards to play.	12/19/2021 9:46 PM
9	I think it's lovely. I love the height and there is a lot of "big kid" similarities to it. The slide, climbing and poles.	12/19/2021 11:12 AM
10	Great ideas. I would suggest a combination of the 2 plans. A I like it very much for its balance of things. I really wanted the pirate ships back since it was so very popular by all kids.	12/18/2021 6:25 PM
11	Love the ship. Think the swings are okay but would like one of them to be the kind where the parent and child ride together	12/18/2021 10:31 AM
12	agility course and teeter totter	12/18/2021 2:07 AM
13	I like the crawl through tunnel and the ship structure. I think my kids would love to play on this!	12/17/2021 10:26 PM
14	Ship and toddler area	12/17/2021 6:56 PM
15	I like the ship concept to spark imagination. I like each of the structures as they offer a variety of play opportunities. Toddlers love little nooks and spaces, so I think the play house with tunnel will be popular.	12/17/2021 3:04 PM
16	I like the idea of something unique, like a ship	12/17/2021 1:53 PM
17	Colorful. Appears to be safe. Promote exercise.	12/17/2021 1:36 PM
18	Ok	12/17/2021 1:34 PM
19	Theme!	12/17/2021 1:20 PM
20	This is a test. I like it all	12/16/2021 11:03 AM

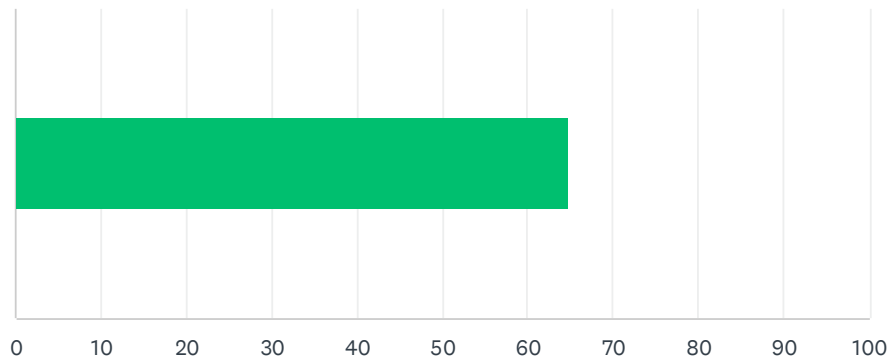

Q2 What could be changed?

Answered: 20 Skipped: 3

#	RESPONSES	DATE
1	There could be a climbing net over the bow of the ship to give more climbing options	1/14/2022 8:51 PM
2	This concept needs more things to climb on. You can't go very far on the ship. The ship would be more interesting if it had a tube leading to another platform (perhaps shaped like a life boat) similar to concept B. A small sandy area like in concept B (the beach) would go well with the ship theme. The mast in sail looks cool, but the sail will get really dirty and blow off, and it's excessive for not being functional. Consider doing a shorter mast that you can climb to a birds nest platform, that would be more functional and still get the ship theme accross..	1/14/2022 9:01 AM
3	Could the tunnel and slide structure be added to Concept A? That would really be something.	1/9/2022 8:48 PM
4	Would like the tunnel on Concept B added to Concept A	1/6/2022 11:48 AM
5	Adding a small sand play area, 1 larger slide, possibly more swings	12/30/2021 2:05 AM
6	More reference to Nature-based play. E.g. could native wildflowers be part of teeter totters, e.g. as a seat with an explanation? Or the addition of butterflies in some form?	12/29/2021 12:19 PM
7	Add more to it	12/24/2021 2:45 PM
8	More challenging slides. I am a former teacher and principal. I see shy children hiding in the structures and not socializing.	12/19/2021 9:46 PM
9	Nothing.	12/19/2021 11:12 AM
10	Add some elements of A and B combined it would be awesome.	12/18/2021 6:25 PM
11	Not keen on the teeter trotter thing. Maybe something that spins	12/18/2021 10:31 AM
12	The sail on the ship seems unnecessary and more of an eyesore than anything, susceptible to damage and upkeep issues, and potentially a temptation for non-toddlers to climb onto. Regular swings in addition to toddler swings would be preferable, and an additional teeter totter to avoid competition/jealousy	12/18/2021 2:07 AM
13	More swings would be nice, and maybe another slide.	12/17/2021 10:26 PM
14	More things for kids 5 to 10	12/17/2021 6:56 PM
15	We have always enjoyed play equipment that resembles natural features. It may be a composite material. For instance, a log may be a tunnel, stumps can be used as steps, rocks make a cave, a mound of soft rubber resembles a hill, etc. We have appreciated these. Also, the teeter totter could be nice, but I would rather have something else, like an expanded agility course or group spinner from Concept B. some	12/17/2021 3:04 PM
16	Seems a little bare compared to option b	12/17/2021 1:53 PM
17	If it's not nailed down, it will be stolen. Based on the pictures, there is a play area across the walkway that has slides. Are more slides necessary? I don't think a five-year-old wants to sit in a saddle swing.	12/17/2021 1:36 PM
18	Ok	12/17/2021 1:34 PM
19	The seesaw thing is dumb. Also, do we really want to lean into the ship theme since the neighborhood/park is named after Christopher Columbus, who was a horrible human being? Much like Lake Calhoun, I don't expect the neighborhood name to stick for another 50 years.	12/17/2021 1:20 PM
20	More swings	12/16/2021 11:03 AM

1	The yellow spinner looks very fun. The overall design looks safe and age-appropriate.	1/14/2022 8:51 PM
2	I like the tube and slide configuration. I'm a fan of the swirly slide. What is the yellow chair? It would be cool if that spun around.	1/14/2022 9:01 AM
3	I like the tunnel and slide structure, but the rest seems less fun	1/9/2022 8:48 PM
4	OK, but would like to see parts combined with Concept A	1/6/2022 11:48 AM
5	The spinner and sand feature	12/30/2021 2:05 AM
6	nothing.	12/29/2021 12:19 PM
7	Good. I like the wide range of stuff	12/24/2021 2:45 PM
8	Mamahuhu (Mandarin for so so) It is colorful	12/19/2021 9:46 PM
9	I like all the challenges this one has. But it borders on the more big kid level of play. Not sure a 1 or 2 year old could enjoy this as much. I do like the tunnel, that's fun.	12/19/2021 11:12 AM
10	Would like combined effort of pieces of each but if not able this design is excellent and if a small area of real sandbox is added it would be perfect. The small addition of a small sand box would keep small kids busy and engaged for a long time. The old sand toy was also a big hit with the 4- 5 year range,yet please give us back the beloved pirate ship . The ship was a huge hit and loved by parents and 3- 5 year olds alike.	12/18/2021 6:25 PM
11	I like the yellow spinner thing again think one of the swings should be parent and child together	12/18/2021 10:31 AM
12	Much prefer the expanded agility course, love the spinner and under-structure space, and the lighting and interpretive panel option are really nice	12/18/2021 2:07 AM
13	I really like this option! The market set up is cute and the interactive boards are great for young toddlers. My kids would love to play on this, too!	12/17/2021 10:26 PM
14	Seems better for more age groups	12/17/2021 6:56 PM
15	I think I like the expanded agility course. Older kiddos might enjoy it too. Group spinner looks awesome. The idea of a market play space perhaps offers more chance for creative and interactive play than the house in Concept A, but I think the more enclosed house structure would be more attractive to toddlers than the more open market space. I also like the rubber ground laid in certain areas and the possibility of interpretive signs, especially if they are about something local - nature, trains, etc.	12/17/2021 3:04 PM
16	I like the variety of things the kids could do. Seems like it would accommodate more kids at one time.	12/17/2021 1:53 PM
17	Again, what is with those blue mats? This concept appears to provide mental exercises stimulation too. Colorful. Not sure what all the activities do.	12/17/2021 1:36 PM
18	Ok	12/17/2021 1:34 PM
19	seems more cohesive	12/17/2021 1:20 PM

Q5 What could be changed?

Answered: 20 Skipped: 3

#	RESPONSES	DATE
1	The sand area could be more fun with sand excavators as these are very popular with 2-5 yr kids.	1/14/2022 8:51 PM
2	The sign with the picture of the mountain will get graffitied, or dirty and worn out. Consider another thing to climb on instead. Needs a mini excavator in the sand area.	1/14/2022 9:01 AM
3	I like Concept A much better.	1/9/2022 8:48 PM
4	Besides the tunnel/slide the rest seems less creative and could be improved	1/6/2022 11:48 AM
5	Less space used on the climbing/activity bar	12/30/2021 2:05 AM
6	It does not look very durable, esp. the pads and the fully enclosed tunnel could get dirty very quickly. The same comments for Concept A apply here.	12/29/2021 12:19 PM
7	Twist slide and incline tunnel hard for parents to assist with you best kids	12/27/2021 10:22 AM
8	Nothing	12/24/2021 2:45 PM
9	A different design.	12/19/2021 9:46 PM
10	See previous comments Andy thanks so very much for helping the CPNA board working on this project.	12/18/2021 6:25 PM
11	Twist slide and incline tunnel hard for parents to assist with you best kids	12/18/2021 12:44 PM
12	Would get rid of whatever those 2 tall things are with the triangle tops and that blue thing that looks weird off in the sand?	12/18/2021 10:31 AM
13	Add teeter totters and non-toddler swings, shorten the tunnel, and get rid of the game panel, they just get dirty and look shabby	12/18/2021 2:07 AM
14	More swings. I didn't notice if either of the playgrounds had accessibility for those who need it (adaptive swings, etc). That is important to include if it isn't already.	12/17/2021 10:26 PM
15	Na	12/17/2021 6:56 PM
16	The main play structure lacks the imaginative power of the ship in Concept A. The ship is more interesting visually and in the ways it can foster creative play. Would it be possible to replace some or all of the agility course with a climbing mound made of rubber material? Kids of all ages love to challenge themselves by climbing, and a mound would be safe and inviting for all ages. Also, perhaps the market would be more appealing to toddlers if it were more enclosed and cozy like the house in Concept A.	12/17/2021 3:04 PM
17	N/A	12/17/2021 1:53 PM
18	More slides??? Is that really needed when there is equipment across the walkway that has multiple slides	12/17/2021 1:36 PM
19	Ok	12/17/2021 1:34 PM

1	The ship theme adds a lot of interest/character to the park	1/14/2022 8:51 PM
2	The animals and planes on springs that you sit on are popular with kids, so consider adding one of those in each concept.	1/14/2022 9:01 AM
3	It will be nice to see this project done. The playground has been so popular with the neighborhood kids for a long time.	1/9/2022 8:48 PM
4	This is an important project for the neighborhood, and I would like to see the replacement as successful and the old design	1/6/2022 11:48 AM
5	I feel like Concept A is better overall design & more interesting for the age group. Having a small sand area from Option B added & 4 swings instead of 2 would make Option A a 95/100 score for our little guy!!	12/30/2021 2:05 AM
6	Would really like to see more emphasis on Nature.	12/29/2021 12:19 PM
7	No	12/24/2021 2:45 PM
8	Please design it for children.	12/19/2021 9:46 PM
9	More volunteers please come forward and join the productive CPNA board soon to continue to help improve our neighborhoods. It is satisfying to be a part of this grand project for the future of our children.	12/18/2021 6:25 PM
10	I hope that it gets done before summer so it can be enjoyed by the families that use the park.	12/18/2021 10:31 AM
11	Of the two, I love the ship themed structure as a nod to what used to be there. My family is so excited to use the new playground!	12/17/2021 10:26 PM
12	Thank you	12/17/2021 6:56 PM
13	Some blending of both would be ideal, is possible. Ship, group spinner, expanded agility course, swings, climbing mound, interpretive signs, a market space that looks more like the house in Concept A. And again, we would LOVE a playground that includes more nature-themed structures, etc.	12/17/2021 3:04 PM
14	N/A	12/17/2021 1:53 PM
