

Minneapolis
Park & Recreation Board

Cedar-Isles Water Quality Subcommittee Meeting #5

*Final recommendations for water quality improvements
within the Preferred Park Concept*

Thursday, July 21, 2022

Land Acknowledgement

We collectively acknowledge that the Minneapolis Park and Recreation Board system is located on the traditional, ancestral, and contemporary lands of Indigenous people. This land holds great historical, spiritual, and personal significance for its original stewards, the Native nations and peoples of this region.

We also acknowledge that restrictive covenants were used to deny Black, Indigenous, Asian and in some cases Jewish individuals access to property in surrounding neighborhoods. This had an impact on who was and was not officially welcome in this area.

A scenic view of a river at sunset. The sun is low on the horizon, creating a bright, shimmering reflection on the water's surface. In the foreground, numerous lily pads float on the water. The background is filled with dense green trees, and a small white structure is visible on the left bank. The overall atmosphere is peaceful and natural.
