7-338 POLICE RESPONSE TO SCHOOL BUS AND SCHOOL BUS STOP INCIDENTS

The Minneapolis Park Police Department works closely with law enforcement partners and the Minneapolis Public School District to create and maintain a safe environment for students on school buses and at school bus stops.

The MPPD will respond to emergency and other 9-1-1 calls for police service to incidents on Minneapolis Public School transportation buses and at school bus stops with patrol squads in accordance with existing 9-1-1 response procedures.

The Minneapolis Police Department is the primary law enforcement provider to Minneapolis Public Schools, including response to incidents of buses and at bus stops. Response to on-going situations of a minor nature on school buses and at school bus stops will be referred to the appropriate MPD precinct unit for follow-up. Direct written notification of these situations will be sent to the School Programs supervisor.
