

MUSIC IN THE PARKS

Lake Harriet Bandshell

4135 W Harriet Pkwy

Mon, Weds, Fri, 1st and 3rd Saturdays at 7:30pm

Sundays 2pm & 5:30pm

- Load-in may begin **two hours** before show time, which is when techs arrive. Please plan accordingly, so sound checks are done in a timely manner and performances start on time.
- System Specs:
 - Allen&Heath SQ6 mixer - 48ch 4 Aux
 - EVH Series and QRX subs
 - 4 monitor mixes with 4 EV EKX12 stage monitors available
 - Reverb/Delay/Comp
 - Mics/DIs/Cabling/Stands provided, all items sanitized after each performance
- Techs can provide a table for you to sell merchandise. A limited quantity of chairs (80) are available for performances. A limited number of music stands (13) are also available for performances. These items are sanitized in between performances. No choir risers are available.
- The weather is always a consideration, and one that we can never predict. The Music in the Parks weather policy is as follows:
 1. If there is a chance of inclement weather, the Concert Coordinator is in contact with the sound techs and the performers the day of the event, and a decision is made together to continue or cancel. Since the weather can change rapidly, a final decision may be made as close to show time as possible.
 2. Audio equipment **MUST** be shut down if lightning is seen. Absolutely no exceptions. Use common sense. Be safe. Do not let electrical equipment get wet.
 3. In compliance with MPRB policy, if the Heat Index is 105° at 3pm, coordinators will meet to decide on the weather decision. The Concert Coordinator will be in contact with the group prior to canceling.
Copies of the MPRB weather policy will be provided to sound techs
 4. There is no rescheduling of shows.
- Temporary parking passes will be emailed each week to artist contact. Please distribute as needed and place on the dashboard of your car with the writing facing up. Free parking is available on the streets nearby. Tour busses require a special permit to be on park grounds. More information on parking can be found by visiting the MPRB parking website.

Lake Harriet Bandshell

- ◆ Parking passes are valid in the NE lot and the WEST lot. **These passes do not allow you to park illegally**, so if there are not spaces available, there is free parking along the parkway and in the neighborhood.
- ◆ To unload equipment at stage, enter the pathway from the WEST parking lot (black arrows on map); hazards MUST be on and **please have sound techs help navigate through pedestrian traffic**.
- ◆ Bathrooms are located in the Bread & Pickle building, and the green building towards the north playground. A water fountain is available inside Bread & Pickle, which has a faucet for refilling water bottles.
