

# Addendum #1: Answers to Questions

Q1. Where can I find copies of the drawings?

A2. [Appendix C – Creekview Scope](#) [PDF] and [Appendix D – Nokomis Scope](#) [PDF] have been posted to the Genetec Building Security Systems section on the [Business Opportunities - Minneapolis Park & Recreation Board](#) page.

Q2. Will the awarded contractor be responsible for the warranty, or will Parallel Technologies?

A2. Equipment would be covered under a manufacturer's warranty. However, any of their actual work products in terms of installation, etc. would not be warrantied after the current service contract and PSA's expiration, unless there is specific language within an specific order made under the contract that addresses a warranty of workmanship.

Q3. The word docs are not live to allow for a download of the file? (referring to the RFP Questions, Vendor Name\_Questions.doc word file)

A3. Document as been sent out to those that indicated unable to access the link.
