

MUSIC IN THE PARKS

Loring Park

1382 Willow St. – Tuesday 7 pm

- Load-in may begin at 5:30 pm for concerts, staff will be on site at that time to assist. Allow as much time as necessary for your group to have a timely sound check and be ready to perform at 7 pm.
- System Specs: Passport Venue Series 2 System
- The weather is always a consideration, and one that we can never predict, the weather policy is as follows:
 - 1) If there is a chance of inclement weather, the Concert Coordinator is in contact with the performers the day of the event, and a decision is made together to continue or cancel. Since the weather can change rapidly, a final decision may be made as close to show time as possible.
 - 2) Audio equipment **MUST** be shut down if lightning is seen. Absolutely no exceptions. Be safe. Do not let electrical equipment get wet.
 - 3) In compliance with MPRB policy, if the Heat Index is 105° at 3 pm, all evening activities will be cancelled. The Concert Coordinator will be in contact with the group prior to cancelling.
 - 4) There is no rescheduling of shows
- You will be issued a parking pass by the Concert Coordinator to park inside Loring Park. If you travel with a trailer, please inform the staff upon your arrival and they will direct you. **PLEASE NOTE:** These parking passes do not allow for parking at City of Minneapolis meters. If you get a ticket at a City of Minneapolis meter you are responsible for the fine.
