### Q3 If you rarely or never visit Willard Park, please tell us why?

#	RESPONSES	DATE
1	It has felt run down and like it is unclear if I should be there with the school being closed. The amenities have not drawn me there and I frankly forget it is there even though I love parks and only like a handful of blocks away.	12/3/2025 10:19 PM
2	Nothing of interest that would make me make the trip to visit	11/29/2025 3:13 PM
3	Uninterested	11/29/2025 12:28 PM
4	I am an electric wheelchair user. I find that most parks are not accessible or as accessible as they need to be. I see that there are plans for a new natural area. I hope it includes the use of native wildflowers & plants that will attract native & endangered pollinators such as the Rusty patched bumblebee & Dakota skipper butterfly. It would be wise to maximize the use of free spaces & borders for this cause.	11/29/2025 11:29 AM
5	The Park is ran down , unkept and not managed; nor safe for children: lacks adventure, not quite the place to nurture scientific curiosity, learning or grow and develop , coordination skills. As well as lacks safety for small children	11/18/2025 9:41 PM
6	I don't live near Willard Park	11/17/2025 7:15 PM
7	I just never have been to the park before	11/13/2025 3:44 PM
8	The location is far from my home.	11/13/2025 12:39 PM
9	I live nearby in Bryn Mawr and this park has not been on my radar, but I would like to visit it more frequently!	11/13/2025 11:24 AM
10	It's less close than other parks with the amenities I typically use.	11/5/2025 8:24 PM
11	It's a little further out than others, but the trail connection brings me close by often.	11/2/2025 1:06 PM
12	no skatepark kinda out of the way.	11/1/2025 7:03 PM
13	just moved to twin cities! haven't visited yet!	11/1/2025 12:08 PM
14	Never heard of it & I live in Southside	11/1/2025 9:58 AM
15	No skatepark.	11/1/2025 9:18 AM
16	It's a 20 min drive from my house, and doesn't offer anything unique that the parks near me already offer.	11/1/2025 8:00 AM
17	Nothing to skate	11/1/2025 12:04 AM
18	need lights at night for basketball	10/31/2025 9:56 PM
19	Basketball court is in bad shape or else I would go more. I'm an adult with no kids so not much reason to go to the playground or pool.	10/31/2025 8:45 PM
20	Ive never had a reason to visit, even though I am in that area often	10/31/2025 7:49 PM
21	Not a skatepark	10/31/2025 7:46 PM
22	no skatepark	10/31/2025 7:34 PM
23	skatepark	10/31/2025 7:33 PM
24	It doesn't have a skatepark yet	10/31/2025 7:26 PM
25	Because there's no skatepark	10/31/2025 7:10 PM

## Q7 Please describe any other features or improvements that you think would help make Willard Park a better neighborhood park.

Answered: 20 Skipped: 20

#	RESPONSES	DATE
1	I like the skate nodes. Seems cool. Would be sweet if there was something small that can be dropped in on.	12/3/2025 10:24 PM
2	Please do something to keep cars out of where the proposed multi-purpose fields will be. Frequently people do donuts and rip of the grass. Additionally, it would be nice to have natural surface or paved trail going from playground area to Russell Ave. This would allow kids to ride their bikes or scooters in a loop like they can at Smaller Park.	12/3/2025 10:22 AM
3	Wading pool more like a splash pad (like the Eden Prairie Round Lake Park Splash Pad)	11/29/2025 12:33 PM
4	The natural concept should be combined with the modern playground. Emphasizing the use of free spaces & borders to attract native & endangered pollinators while making trails & playgrounds accessible for all, including electric wheelchairs.	11/29/2025 12:07 PM
5	Cars have been known to drive through the park at night. Maybe some shrubbery or fence.	11/24/2025 11:27 AM
6	Seating by basketball	11/22/2025 10:04 PM
7	Science/Discovery Area An outdoor learning garden or trail with interpretive signs and simple, robust nature-themed play element -Full Basketball Court sm kids hoop and adults - Ropes/Discovery Area Toddler Zone: A Large, Inclusive Playground Water Fun: A commercial-grade, recirculating splash pad with multiple interactive features ADA safety standards	11/18/2025 10:06 PM
8	Add tire swings and a soccer field	11/13/2025 3:46 PM
9	Lights for basketball	11/7/2025 10:00 AM
10	I think the skate nodes are a good idea but are not well placed. Why have them right by the bike path? Why not use some of the unused space in these plans for a larger and safer space for everyone?	11/2/2025 1:09 PM
11	Soccer goals in the open field	11/1/2025 4:50 PM
12	Our neighborhood gets great use and enjoyment out of the wading pool and appreciate that it is included in ALL proposed projects. It also offers respite in the summers for neighbors without air conditioning. Improved seating in the pool area would be great. We like option 2 for the added shade sails over sitting area. The bike lane in number 2 also appears the most safe as it doesn't go between play features/courts, avoiding children and other foot traffic.	11/1/2025 10:10 AM
13	More skate features	11/1/2025 10:01 AM
14	More of a skatepark section .maybe add more opticals like boxes,rails and ramps along the Plath way	11/1/2025 9:22 AM
15	Skate obstacles that are integrated into the built environment such as Curbs (California style), double sided curbs, embankment to curb, low manualpad, low ledges.	11/1/2025 8:07 AM
16	Skatepark	11/1/2025 12:04 AM
17	skateboard features close together. lights for the basketball court	10/31/2025 9:59 PM
18	Better lighting at night. Keeping the grass cut. Vending machine. Open bathrooms. Better sports options / fixed basketball court.	10/31/2025 8:58 PM
19	Hire professional skatepark company to design build the skate board features.	10/31/2025 8:35 PM
20	Bigger skatepark	10/31/2025 7:48 PM
