COMMUNITY ENGAGEMENT PLAN

Project Title: Peavey Park Improvements

MPRB Division: Planning
Project Manager: Daniel Elias

As required by the Minneapolis Park and Recreation Board Code of Ordinances, every construction or redevelopment project undertaken within the MPRB Capital Improvement Program (CIP) is to have a community engagement plan. The plan serves as a guide for the community engagement process through the multiple phases of planning and project development. The plan may be modified as circumstance warrants during project duration. Substantial modifications are to be communicated to stakeholders and the MPRB Board of Commissioners.

Project Description

- Peavey Park Improvements guided by the South Service Area Master Plan (specifically the Peavey Park Master Plan)

Engagement Recommendation (provide responses to the following)

- Level of Engagement: Consult
  - The level of engagement, CONSULT, is appropriate for this project as the South Service Area Master Plan (SSAMP) will soon be approved and is considered the Concept Design Approval for overall Park Improvements at Peavey Park. This project will take the Master Plan for Peavey Park and work to implement improvements, phased over multiple construction years with feedback from the stakeholder list that follows.
