

EQUITABLE ATHLETIC PROGRAMMING

- Reach out to youth who don't have access to parks to get them involved - sports can save a child from boredom or maybe to keep them from reaching out to gangs/drugs. Not all kids play high school sports.

- Hire new coaches for different sports. Complete the unmet needs of Recreation

F MORE 'PREMIER' SOCCER / MULTI-SPORT FIELDS IN DIVERSE PARTS OF CITY,

- SOLUTIONS TO PRIVATE RENTAL / PUBLIC OPEN PLAY TENSIONS AT PREMIER FIELDS

SPORTS DOMES -

- AGE VARIETY

- Addressing that private ^{groups} can add to quality of life

- TRAINING & SUPPORT FOR VOLUNTEER

- INCLUDE NON-TRADITIONAL FORMS OF ATHLETIC

- PHONES / TECH INTEGRATION

- Equipment - Some teams new + equipment - Rentals for unique situations
Juniors - others with a budget

- Outreach to groups outside parks (housing developments, ^{community} centers)

ATHLETICS (CONT)

Consideration about LGBTQI+ Norms in Sports programming + Coaching etc. P

Incentives to ^{retaining} keeping our youth in City Programs - too much gravitation to suburban programs

- Multipurpose sports facilities RF

- culturally competent leagues/activities (swimming, other activities that are specifically popular)

- having all girl teams P

- equal maintenance of parks all over the city so every park gets the same amenities at the same quality F

- safe place from sexual harassment P

- New types of fields - bocce, roller derby (Indoors)

- Partner w/ school board for facilities

Sand Volleyball

data driven decisions

Basketball courts. outdoor court/gym

~~Set~~ latest technology - wifi
gender considerations in athletics

SPATS donor

LEED buildings

Indoor Pools

Seen:

- Coordination between School and Parks

3) Keeping the kids in the community

- Not Partnering with Schools already
- Expanding the definition of athletics

[Coordination
btwn: Schools, Parks
Agency

4) Facilities → ^{High} Quality
Flexible
