PERMIT APPLICATION PROCEDURES, REGULATIONS AND GUIDELINES

PROCEDURES

1. Applicants should pick a specific Venue and date for the event. Applicants are encouraged to pick an alternative Venue and/or date in the event an applicant's first choice is not available. Events with 50 or more participants and/or events with special features or fundraising are required to secure a Use & Event Permit.
2. Applicants are required to complete all sections of this application. All proposed activities and events are subject to the approval of the Minneapolis Park & Recreation Board (herein after "MPRB"). The MPRB will not consider the application if it is incomplete. If you have questions please email permits@minneapolisparks.org.
3. Applications may be found online at the MPRB website (www.minneapolisparks.org) or at the MPRB Headquarters, 2117 West River Road, Minneapolis, MN 55411. Submittal of the Use & Event Permit Application can made online at the MPRB website, brought in person, or sent via email, mail, or faxed to 612-230-6504 to the MPRB Headquarters (2117 West River Road, Minneapolis, MN 55411). Submittal of a Use & Event application does not grant a permit or confirmation to conduct the event. The MPRB is not responsible for any inconveniences caused by advertising done before an Event Permit is granted. All applications are subject to review and are to be submitted at least 30 days prior to event date unless otherwise authorized under the MPRB policies.
4. The MPRB reserves the right to give priority to Returning Events for a particular time and Venue over new applications for the same time and Venue. Returning Events have thirty (30) days from the date of their last event to submit a written application for the following year to retain priority for the same time and Venue the event has been granted a permit in prior year(s).

If the MPRB receives more than one application for the same Venue and date, priority shall be given to the Returning Event that has been granted a permit for the most number of years. In the event that the above priority fails to determine which applicant will be granted the permit, then the permit shall be granted to the applicant who submitted their application first. If this fails to determine the Permittee, the granting of the permit shall be decided by a flip of a coin where the applicants are invited to be present. The MPRB reserves the right to cancel or not issue permits due to construction and/or maintenance of MPRB Property.

5. All applications will be required to ensure the event is accessible to people with disabilities. In this case, the applicant agrees that reasonable modifications to conduct the event shall be provided at the expense of the applicant. When such is required, the applicant shall consult with MPRB staff regarding resources to provide the modification necessary. These include but are not limited to changes in rules and policies, providing extra staff and volunteers, providing auxiliary aids and services such as sign language interpreters, assistive listening systems, large print brochures/maps, removing architectural barriers at elements provided by the applicant and other related activities. The applicant may not impose a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the costs of measures, such as the provision of auxiliary aids or program accessibility.

The MPRB agrees that it shall maintain parking, exterior accessible routes, buildings, and other features already in existence so that these remain accessible. The applicant shall confirm that temporary venues such as concessions, exhibits, stages, portable toilets, other amenities and routes are installed and maintained to be accessible.

6. Upon receiving the completed application, the MPRB will contact the applicant to confirm the receipt of the application. The application will then be reviewed. The MPRB reserves the right to require additional information/documentation regarding the applicant, applicant's company, sponsoring company/organization, co-sponsors, event participants, event vendors, event activities or the event itself. The applicant will be notified of the application status within 14 business days. The MPRB may postpone approval of permit until receipt of additional requested information or documentation. Failure to submit requested information or documentation in 30 days prior to the Use & Event Permit date may be cause for denial of Use & Event Permit.

7. Applicants are required to submit a "Certificate of Insurance in the amount of \$250,000/750,000 for bodily injury-\$300,000 property damage with the MINNEAPOLIS PARK AND RECREATION BOARD as an additional insured" for the event and date(s) of all preparation for such event occurring on MRPB property. Applicants assume all responsibility for and hereby agree to indemnify and hold harmless the MPRB against any losses, damages, liabilities, action suits, proceedings, costs or expenses that the MPRB may incur or sustain or for which it may become liable (including, but not limited to, personal and bodily injury to, or death of, persons or damage to property) resulting or arising from the permitted event. . The obligation to indemnify and hold harmless the MPRB will survive the termination or expiration of the Permit. This certification is not required at the initial time of application, as it takes time to proceed. The applicant must submit the certification 30 business days prior to the date of the event. A Use & Event permit will not be issued if the Certificate of Insurance has not been received.

8. Applicants are required to secure and submit to the MPRB any and all amendments to the original application 30 days prior to the event date.

9. Once all the MPRB's requirements have been fulfilled, including receipt of all requested documents (including those of all applicable City, State, and/or Federal agencies) and full payment, a Use & Event Permit may be issued.

10. All event and applicant's guests, vendors, concessionaires, and exhibitors are subject to, and must abide by all codes, rules, regulations, ordinances, statutes, and laws of the MPRB, the City of Minneapolis, the State of Minnesota, and the United States of America. Below is a summary of some of the MPRB Event Rules and Regulations.

11. Once the Use & Event Permit is issued, MPRB will notify the neighborhoods that are near the parkways that will be closed during events during the year with the following notifications:

- *E-Subscribe*: An online e-mail and texting service that any individual can sign up to get monthly, weekly, or daily notifications about parkway closures.

All events that include a run, walk, or other activity in which participants will be following a course will be required to attach a Route Map and a written document of the proposed route of the event. All proposed Route Maps are subject to the MPRB approval. The use of any outside the Parkways or parks such as City streets must be approved by the City of Minneapolis. Additionally, the MPRB is not responsible for any costs associated with the denial of the proposed route. For a more detailed Route Map, please use mapmyrun.com (this is a free website), Bing maps or Google maps.

TRANSPORTATION

Please provide a transportation plan that explains how participants/spectators will get to and from the proposed event location. The MPRB recommends providing event participants/spectators with alternative modes of transportation that will help reduce traffic congestion such as the bus, light rail, bicycle, carpooling, shuttle, etc. For more information, you may use the Events Go Green document on the MPRB website or visit the City of Minneapolis website for bus schedules and bike routes in Minneapolis. Please describe how participants/spectators will be receiving travel recommendations to the event. Also, remember to provide sufficient time for registration if the event is a walk, run, or race. Parking is limited to designated parking spaces, unless specific permission is given by the MPRB.
