

Fee Assistance Guidelines

What is Fee Assistance?

The Minneapolis Park and Recreation Board Fee Assistance Program assists Minneapolis residents when financial limitations occur. Eligibility for the program is determined by meeting the current Income Guidelines, completing the application and attaching the required documentation. Fee assistance is for the leadership portion of fees only and not for supplies, extra fees, or admission costs for field trips.

Who can apply?

City of Minneapolis residents who provide proof of residence are eligible for the Recreation Fee Assistance Program. Please provide the Minneapolis Park and Recreation Board your City of Minneapolis proof of residency when applying.

What are the steps to apply?

Complete a Recreation Fee Assistance Program application and provide documentation prior to registering for the class. Incomplete applications and documentation will be put on hold and not processed until all is complete. Return completed application and any required documentation to the location where the class is being offered.

What kind of documentation is needed?

In addition to the application the following documentation is needed; please check the box of which you are attaching. Please block out all Social Security numbers on all documents before attaching.

- If you have no income and do not file income taxes, attach a note explaining you have no income.

When will I know if I am accepted?

Eligibility will be determined and verified to you within ten business days of receipt of application. Submittal of an application is not confirmation of fee assistance or course registration. You will be notified by phone, email or mail if there is additional information required to process your request. Inquiries about your fee assistance application or registration forms should be submitted to the Recreation Center where you submitted the forms.

Will all of my information be kept confidential?

All information submitted to the Fee Assistance Program for the purpose of eligibility determination is confidential.

How long can I use the assistance if I am approved?

The assistance is good for the calendar year applied for. You must reapply every calendar year. This assistance is non-transferable.

Payment Information

If accepted into the Fee Assistance Program, you will need to pay the discounted fee at time of registration of activity. If for any reason your account becomes delinquent your fee assistance will be forfeited.
