4.2 That the Board approve the concept plan and recommendations of the Citizen Advisory Committee (CAC), incorporating feedback from the public hearing on June 16 for the Wirth Beach Phase III site improvements.

Action Taken: Approved on a voice vote.

Vice President Young moved, seconded by Commissioner Vreeland -

4.3 That the Board authorize staff to implement a phased development of Boom Island as identified in exhibit A.

President Erwin called upon Judd Rietkerk, Director of Planning, to outline the plan strategy and timing. The Board then commented on the action,

Action Taken: Approved on a voice vote.

Vice President Young moved, seconded by Commissioner Tabb -

4.4 That the Board approve the charge and composition of the citizen advisory committee for the Southwest LRT Corridor Mitigation Proposal as outlined.

Vice President Young read the charge of the CAC -

To advise staff and consultants on impacts caused by the proposed Southwest Light Rail Transit (SW LRT) Project on lands owned by the Minneapolis Park and Recreation Board. The CAC should consider historical, cultural, visual, social and park safety impacts on parkland and should make recommendations for mitigation requirements as part of Board’s response to the Draft Environmental Impact Statement (DEIS).

Commissioners then discussed the composition of the CAC -
