WELCOME

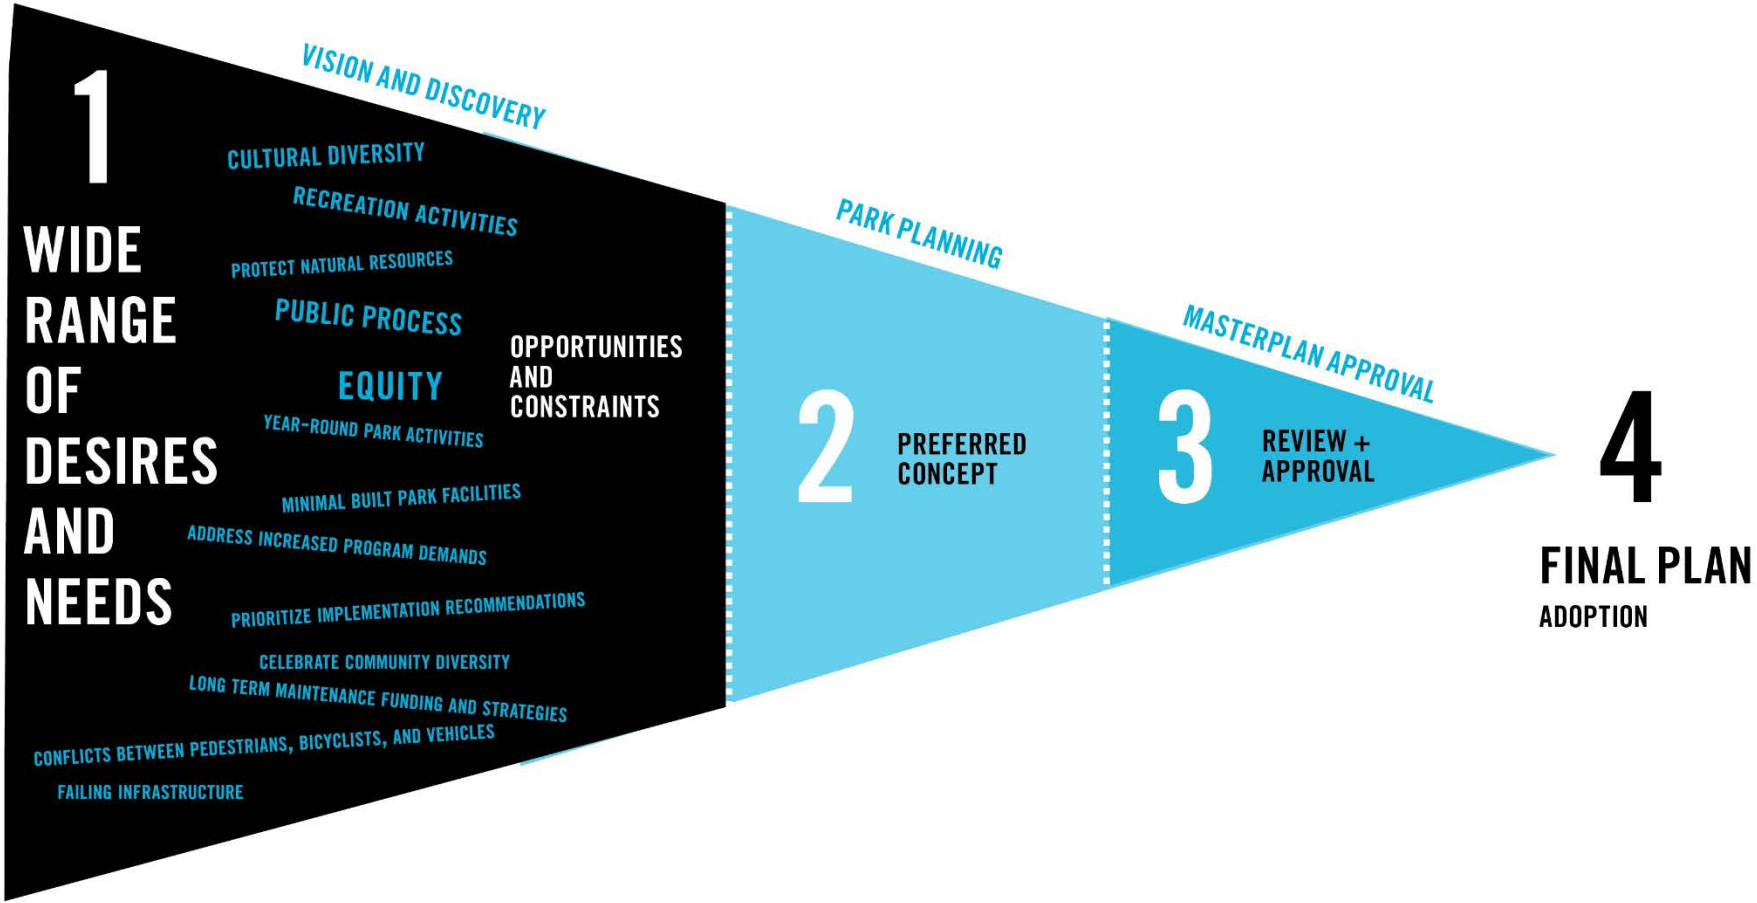
to Water Bar

PLANNING PROCESS



YOUR IDEAS IN ACTION:

STAKEHOLDER OUTREACH EXERCISE: still reaching out to stakeholders on the long list we generated

PRIORITIZATION EXERCISE: this information will be overlayed on the responses to the park priorities activity we've been doing at community events. We have 100s of responses, and your input combined with the community priorities will help us decide how many wading pools, ice rinks, skate ramps, etc. will be in the Service Area.

NEXT STEPS

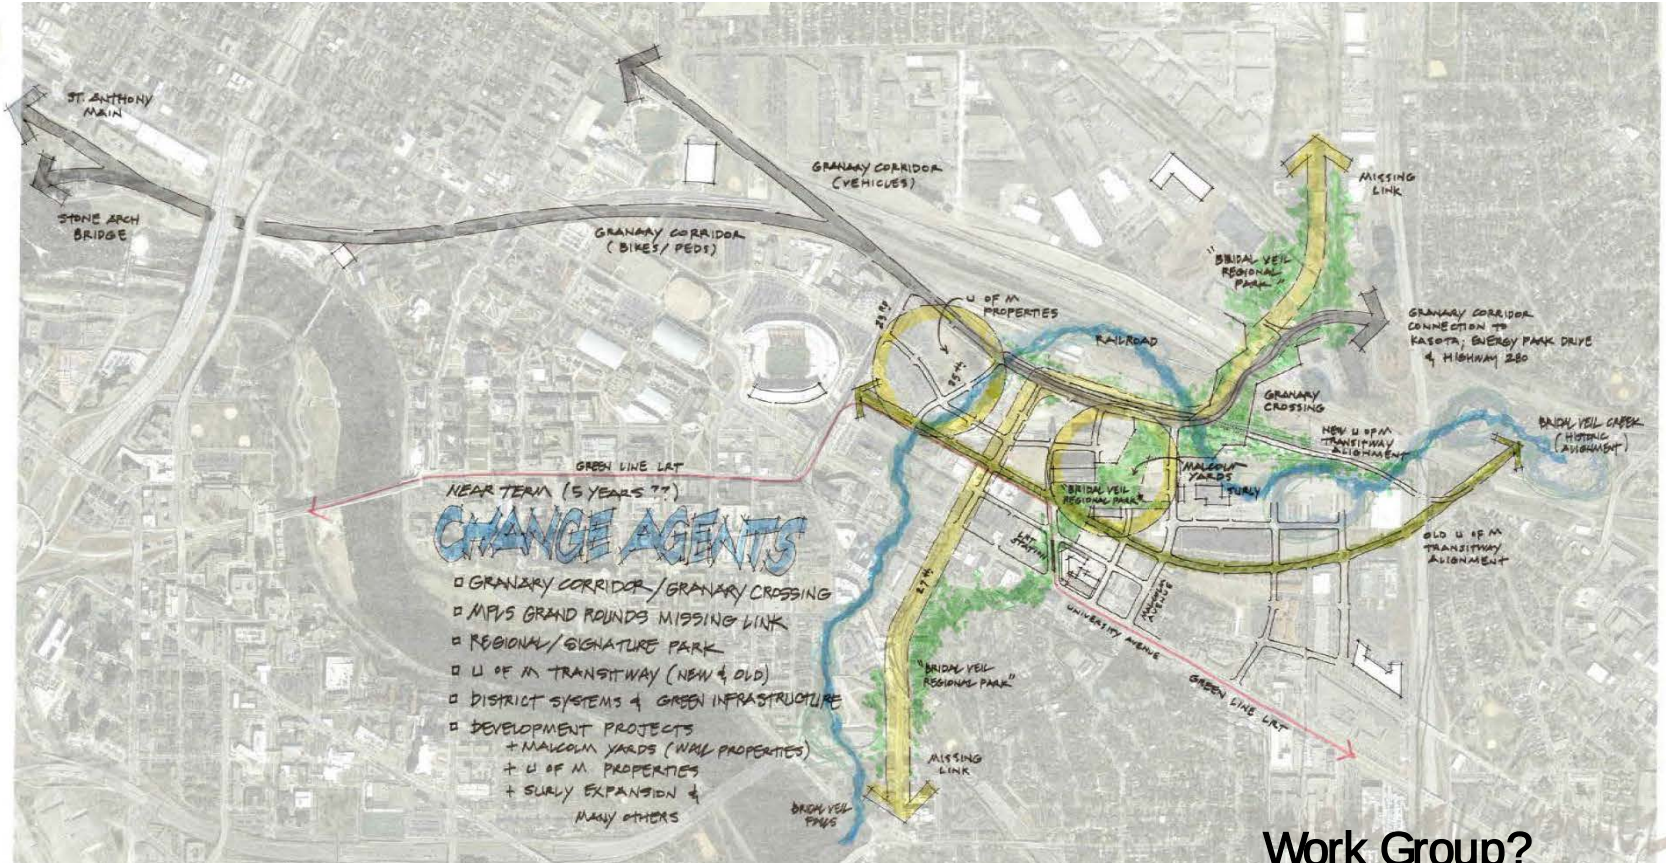
- CAC #5: Tuesday, March 13th at Van Cleve Park for a DATA JAM
- Design Week: April 30-May 4
- Park Tour in the spring during concept review
- Online survey open until February 28

Community conversations : please reach out if you have ideas or would like to invite us to a group that you are part of

INSPIRATION AND CONTEXT:

- SKATE PARK ACTIVITY PLAN
- ECOLOGICAL SYSTEMS PLAN
- URBAN AG ACTIVITY PLAN
- UPDATED CIP (BUDGET)

REGIONAL TRAILS AND THE GRAND ROUNDS MISSING LINK:



Work Group?

INTRODUCTIONS:

What did you notice in the data?

What questions do you have?

CENTERING EQUITY

Write one consideration that you think we should all keep in mind tonight and moving forward around this idea of parks and as we design the future neighborhood parks for SE and NE Minneapolis.

“NATIONWIDE, PARKS PLAY A VITAL ROLE IN THE HEALTH AND WELLBEING OF COMMUNITY MEMBERS AS WELL AS THE LIVABILITY OF OUR CITIES. HISTORICALLY DISADVANTAGED COMMUNITIES, INCLUDING IMMIGRANTS, EXPERIENCE POORER GENERAL HEALTH AND SHORTER LIFE SPANS THAN WHITE COMMUNITY MEMBERS. RESEARCH SHOWS THAT THE NUMBER ONE PRESCRIPTION FOR HEALING HEALTH AND EDUCATIONAL DISPARITIES IS TO PROVIDE ACCESS TO PARKS AND OPEN SPACE.”

– MPRB WEBSITE

PUBLIC COMMENT OPEN TIME

PARK DESIGN SESSION

(2 rounds = 25 minutes each)

- Pick a grouping of parks that you are familiar with (it's ok if you only know one or some of them – just comment on the parks you know)
- Fill out one DREAM PARK CARD per park with your thoughts on what works, what needs improvement, what should be removed, and any new big ideas
- Review Park Design Considerations
- Share your ideas with the group and write concepts you agree on on the aerial
- Report out (1 minute)
- REPEAT

QUESTIONS?

EVALUATION.

THANK YOU!
