

**Do you love your boulevard tree?
Have you always wanted to help take
care of your boulevard tree, but
never knew how you could help?**

Elmer Says...

Be an Elmer Helper!

What does an Elmer Helper do?

Elmer Helpers will:

-  **Water their boulevard tree weekly.**
-  **Prune sprouts on the trunk.**
-  **Make sure mulch is not heaped up around the trunk.**
-  **Help raise community awareness for boulevard tree care.**
-  **Report to the MPRB forestry department any serious problems that may threaten your tree.**
