WE PROVIDE THE ACCESS
THE KIDS PROVIDE THE ENERGY
GOLF PROVIDES THE VALUES

The First Tee of Minneapolis, an initiative of the World Golf Foundation, gives juniors of all backgrounds the opportunity to develop life-enhancing values such as honesty, integrity and sportsmanship through education and the game of golf.

Through the Life Skills Education, participants learn valuable lessons about the importance of maintaining a positive attitude; how to make decisions by thinking about the possible consequences; how to define and set goals; and how to transfer values such as responsibility, honesty, integrity, respect, confidence and sportsmanship from the golf course to everyday life.

Participants learn about themselves and others through a range of experiences that enhance their golf fundamentals as well as their fundamental values for life. As their opportunities on the golf course expand, so do the opportunities for their futures.

All participants receive The First Tee Card so their progress can be observed as they advance through The First Tee certification levels of PLAYER, PAR, BIRDIE, and EAGLE. Advancing from one level to the next is accomplished by demonstrating acquired life skills, learning the rules of golf, and having the recommendation of the instructor.
