SERVE WITH PRIDE

Since 1887, members of the Minneapolis Park Police Department have been committed to ensuring safe parks, recreation centers, and recreation programs across Minneapolis.

As the independent law enforcement agency governed by the Minneapolis Park and Recreation Board (MPRB), our first priority is making sure that we support the mission of the MPRB, in part, "to provide places and recreational opportunities for all people to gather, celebrate, contemplate and engage in activities that promote health, well-being, community, and the environment." To that end, we work closely with MPRB field staff, in every division, to ensure that crime and safety concerns are addressed holistically.

The Minneapolis Park and Recreation Board (MPRB) takes pride in knowing that although 15 percent of the City of Minneapolis consists of parklands, only two percent of all crimes occur within parks. Park Police Officers are dedicated to crime prevention, proactive patrols and follow-up investigations that all result in safe parks for residents and park visitors.

Park Police Officers and Park Patrol Agents are responsible for serving:

- 180 park properties
- 6,809 acres of parkland and water
- 49 recreation centers
- 55 miles of paved parkway
- 51 miles of walking paths and 51 miles of biking paths
- 22 million annual visits

BECOME A PARK PATROL AGENT

Park Patrol Agents are non-sworn members of the Minneapolis Park Police Department. They work to support the efforts of licensed Park Police Officers in maintaining safe and welcoming parks for all to visit.

Park Patrol Agents provide assistance to the Minneapolis Park Police with the enforcement of laws, ordinances, rules and regulations within the parks. Park Patrol Agents are scheduled up to 40 hours per week during the summer months (June, July and August). Assigned shifts vary between day and evening hours and include most weekends and holidays. During the rest of the year, Agents may be scheduled up to 28 hours per week.

The application process to become a Park Patrol Agent takes place during the spring months (usually March). Positions are posted on the Minneapolis Park and Recreation Board website (www.minneapolisparke.org) or interested candidates may contact the Park Police Department to inquire further.

BENEFITS OF WORKING AS A PARK PATROL AGENT

Working as a Park Patrol Agent provides a chance to work in one of the most beautiful and recognized urban park systems in the U. S. Additionally, Park Patrol Agents serve in a unique role as ambassadors for the Minneapolis park system; often, they will be the only MPRB staff contact a visitor may have. Finally, Park Patrol Agents also have the opportunity to create community connections – to serve as a positive role model for youth participating in park programs.

From a law enforcement perspective, working as a Park Patrol Agent is invaluable experience. Enforcing laws and rules, responding to calls for service, and writing police reports are just a few of the skills Park Patrol Agents will develop during their employment. Countless former Park Patrol Agents have gone on to successful careers in law enforcement. The experience of working as a Park Patrol Agent is widely recognized and valued in the police community. Frequently, sworn Park Police Officers are promoted from the ranks of Park Patrol Agent.
