ADA Action Plan

Public Comment Open 2/26/2018
 Public Comment Close 4/27/2018

THEME ID#	THEME	IMPACT	# OF COMMENTS	RESPONSE	DRAFT PLAN PAGES MODIFIED	FINAL PLAN PAGES	NOTES/AMENDMENTS
1	Suggestion to expand watercraft/on water access for people with disabilities	moderate impact	2	Transition plan implementation section added	12	11	
2	Concern for surface accessibility: new surfaces & maintenance of existing surfaces	no impact	1	MPRB ADA Transition Plan implementation is coordinated for ongoing barrier removal	N/A	10	
3	Suggestion to consider accessible routes to gardens so people with disabilities can get close to see, touch and smell plants and flowers. Suggestion to consider garden access/experience across multiple senses (sight, smell, touch etc.)	low impact	1	Added to transition plan implementation section	10	10-11	
4	Suggestion to consider safe, accessible connections between park and city property	low impact	1	Added to transition plan implementation section	10	10	
5	Suggestion to expand public transit access to parks	no impact	1	Added to transition plan implementation section	N/A	10	
6	Concern that plan does not focus much on seniors with cognitive limitations	no impact	1	The action plan does not create different policies for different disabilities but rather addresses accessibility across the system	N/A	3	
7	Concern that snow removal is an access barrier	low impact	1	Added to transition plan implementation section	10	14
