COLLECTIVE BARGAINING AGREEMENT BETWEEN
MINNEAPOLIS PARK AND RECREATION BOARD
AND
MINNESOTA TEAMSTERS PUBLIC AND LAW ENFORCEMENT EMPLOYEES’ UNION LOCAL #320

FOR JANUARY 1, 2019 THROUGH DECEMBER 31, 2021

This Agreement is hereby made and entered into by and between the Minneapolis Park & Recreation Board (hereafter “Board”) and Minnesota Teamsters Public and Law Enforcement Employees’ Union, Local No. 320 (hereafter referred to as the “Union”).

ARTICLE 1 – UNION SECURITY

Section 1.01. Recognition

It is understood and agreed between the parties that The Board (Employer) recognizes the Union as the exclusive representative under Minnesota Statues Section 1794.03 for all employees in the Mobile Equipment Operators (MEO) classification and Refuse and Recycling Crewleader classification employed by the Minneapolis Park & Recreation Board whose employment exceeds the lesser of fourteen (14) hours per week or thirty-five (35) percent of the normal work week and who work more than sixty-seven (67) days in any calendar year excluding supervisory, confidential, and other individuals in the employer of the Board.

Section 1.02. Union Dues

Subd. 1. Union Dues Payroll Deduction
In recognition of the Union as the exclusive representative, the Employer shall deduct an amount sufficient to provide the initiation fee and the payment of the regular monthly Union membership dues uniformly established by the Union from the wages of all employees who have authorized, in writing, such deduction on a form designated and furnished by the Union. The Union shall certify to the employer, in writing, the current amount of regular monthly membership dues which it has uniformly established for all members. Such deductions shall be cancelled by the Employer upon a written request made by the involved employee to the Union with a copy to the appropriate departmental payroll office.

Section 1.03 Union Leave

Leaves of absence without pay to serve in an elective or appointive position in the Union shall be granted pursuant to applicable Minnesota statutes. Upon return to active employment, such employees shall be credited for time served on Union leave for the purpose of determining the amount of vacation to which they are entitled each year thereafter and for the further purpose of calculating longevity pay.

Section 1.04 Union Stewards
The Board agrees to recognize stewards certified by the Union as provided in this section subject to the following stipulations:
1) There will be no more than four stewards designated at any one time.
2) The Union shall promptly notify the Board in writing of the names of the stewards or the successors of former stewards. The Union shall also certify to the Board the names of its business representatives.
3) Stewards may, with the approval of their supervisors, interrupt their work and leave workstations for the purpose of presenting a grievance to the Board on behalf of an employee they represent as steward.

Section 1.05 Political Action Committee

Local No. 320 and the Minneapolis Park and Recreation Board (MPRB) agree that upon receipt of a properly executed voluntary authorization card from an employee, the MPRB will deduct from the employee’s salary such amounts as the employee authorizes to pay to the NATIONAL TEAMSTERS’ DRIVE.

ARTICLE 2 – MANAGEMENT RIGHTS

The Board retains the full and unrestricted right to perform any inherent managerial function not specifically limited by this Agreement.

ARTICLE 3 – CIVIL SERVICE RULES

The Board and the Union agree that they will actively abide by, for the term of this Agreement, the existing Rules of the Minneapolis Civil Service Commission relating to the subjects of appointment, classification, disability leave, discipline, discharge, funeral leave, jury duty, layoff, probationary period, promotion, resignations, seniority, sick leave, holiday leave and vacation. The Board and the Union will meet and confer about proposed changes to the Civil Service rules that may be considered during the term of this Agreement and will provide the results of those discussions to the Civil Service Commission for its consideration.

ARTICLE 4 – GRIEVANCE PROCEDURE

Section 4.01 Definition

This grievance procedure is established to resolve any specific dispute between an employee and the Board concerning, and limited to, the interpretation or application of the provisions of this Agreement.

Section 4.02 Representation by Union Representative

An employee presenting a grievance may elect to be represented by a Union representative of the employee’s choice at any step of this procedure.

Section 4.03 Steps in Grievance Procedure

A grievance shall be resolved in the following manner:
Step 1: An employee claiming a specific disagreement concerning the interpretation or application of
the provisions of this Agreement shall, within twenty (20) business days of its first occurrence or within
ten (10) business days of the time the employee reasonably should have knowledge of the occurrence,
whichever is later, discuss the complaint orally with the employee’s immediate Foreman or Manager.
The Foreman or Manager shall attempt to adjust the complaint at that time.

Step 2: If a complaint is not resolved in Step 1, and the employee wishes to file a grievance, the Union
shall, within seven (7) business days of the oral discussion with the immediate Foreman or Manager,
serve a written copy of the grievance on the Foreman or Manager and the Union. The written
grievance shall set forth the nature of the grievance, the facts on which it is based, the specific
provisions of the Agreement allegedly violated, and the relief requested. The Foreman or Manager
shall respond in writing to the employee, and to the Union, within seven (7) business days after receipt
of the grievance.

Step 3: If a grievance is not resolved in Step 2 and the Union wishes to continue the grievance, the
Union shall, within seven (7) business days after receipt of the Foreman or Manager’s answer, present
the written grievance and reply to the Assistant Superintendent or this person’s designee. The
Assistant Superintendent shall give the Union and the employee the Board’s written answer within
seven (7) business days after receipt of the grievance.

Step 4: If the grievance is not resolved in Step 3 and the Union wishes to continue the grievance, the
Union shall, within seven (7) business days after receipt of the Assistant Superintendent present the
written grievance and replies to the Board’s Superintendent or this person’s designee who shall
consider the grievance and shall give the Union the Board’s written answer fourteen (14) business days
after receipt of the grievance.

Step 5: If a grievance is not resolved in Step 4 and the Union wishes to continue the grievance, the
Union may, within seven (7) business days after receipt of the answer of the Superintendent or this
person’s designee, refer the written grievance and replies to arbitration. The parties shall attempt to
agree upon an arbitrator within seven (7) business days after receipt of notice of referral; and in the
event the parties are unable to agree upon an arbitrator within said seven (7) business day period,
either party may request the Bureau of Mediation Services to submit a panel of seven (7) arbitrators.
Both the Board and the Union shall have the right to alternately strike two (2) names from the panel.
In the event the parties cannot agree on the party striking the first name, the decision will be decided
by a flip of a coin. The remaining person shall be the arbitrator. The arbitrator shall be notified by a
joint letter from the Board and the Union requesting that the arbitrator set a time and a place, subject
to the availability of the Board and Union representatives.

The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the
provision of the Agreement. The Arbitrator shall be limited to only the specific written grievance
submitted by the Board and the Union, and shall have no authority to make a decision on any issue not
so submitted. The arbitrator shall submit a decision in writing within ten (10) days following the close
of the hearing or the submission of briefs by the parties, whichever is the later, unless the parties
MPRB and Local #320 

January 1, 2019 through December 31, 2021 

agree to an extension thereof. The decision shall be based solely up to the arbitrator’s interpretation of the meaning or application of the facts of the grievance presented. The decision of the arbitrator shall be final and binding. 

The fee and expenses of the arbitrator shall be divided equally between the Board and the Union; provided, however, that each party shall be responsible for compensating its own representative and witnesses. 

Section 4.04 Exclusive Method of Resolving Grievances 

The Board and the Union agree that the grievance and arbitration procedures contained in this Agreement are the sole and exclusive means of resolving all grievances arising under this Agreement. At any stage of the proceeding, however, representatives of the Board and Union may meet and resolve the dispute without further formal action. 

Section 4.05 Extension of Time Limits 

The time limits established in this Article may be extended by mutual written consent of the Board, and the Union. 

Section 4.06 Missing Time Limits 

If the grievance is not timely pursued within the prescribed time limits, said grievance shall be considered resolved on the basis of the last answer provided, and there shall be no further appeal or review. Should the Board not respond within the prescribed time limits, the grievance will proceed to the next step. 

Section 4.07 Election of Remedies 

When an employee has elected to pursue a remedy by state statute or Minneapolis City Charter for alleged conduct which may also be a violation of this Agreement, the employee shall not have simultaneous nor subsequent resort to this grievance procedure and the grievance then or thereafter processed shall be forever waived. The filing of a grievance based on the same issue or subject matter shall act as a bar for any action based on the same grievance brought in any court or administrative body pursuant to federal or state law, or Minneapolis City Charter provision. However, the filing of a grievance under this labor agreement does not prevent an employee from pursuing both the grievance and a charge of discrimination brought under Title VII of the Civil Rights Act of 1964, the Americans with Disabilities Act, the Age Discrimination in Employment Act, or the Equal Pay Act. 

ARTICLE 5 - WAGES AND PAYROLL 

Section 5.01 Salary Rates and Progression

Subd. 2 Advancement

Subd. 4 Longevity
Longevity Pay shall be as specified in Appendices A

ARTICLE 6 – HOURS OF WORK AND OVERTIME

Section 6.01. Hours of Work

Hours of service will be scheduled by the Employer with due regard to seniority and in accordance with the funds and work available, it being understood that this Agreement establishes an annual hours employment plan so that as many employees as possible shall be employed for a full year’s work, and that changes to the plan will not change the administration of the plan.

Section 6.02. Regular Work Day

The regular workday for employees shall be eight (8) hours and shall be determined from midnight of one day until midnight of the next day.

Section 6.03. Work Week

The normal work week for employees shall be forty (40) hours, consisting of five consecutive work days followed by two (2) days off. Scheduled work to be performed on the sixth and seventh days of a work week, usually
weekend days, shall be first offered in accordance with seniority and thereafter be assigned in accordance with reverse seniority and performed only when necessary as determined by the Board.

Section 6.04. Work Breaks

All employees will be allowed two (2) work-relief periods per day not to exceed fifteen (15) minutes in mid-morning, and fifteen (15) minutes in mid-afternoon as scheduled by the supervisor during each full day worked, such relief to normally be taken on the job site. When no work stoppage is scheduled for lunch, no time deduction shall be made for a lunch period.

Section 6.05. Overtime

Overtime will be offered first by service area seniority and second by master seniority. The Employer will designate who is responsible for making the appropriate call. The Refuse and Recycling Crew leader is eligible to receive overtime as described within the job description and at the direction of the Park Operations Manager.

For weekend scheduled overtime, the deadline to sign up for weekend overtime will be Thursday of each week at 11:00 a.m. Authorized hours actually worked after eight (8) in any workday, or any holiday, or after forty (40) hours in any work week will be considered overtime hours and shall be compensated at the rate of one and one-half (1½) times the employee’s straight time rate of pay; provided that, during duly declared emergencies by the Board, employees will be compensated at the rate of one and one-half (1½) times the employee’s rate of pay for all hours worked in excess of forty (40) hours in work week and the overtime after eight (8) hours provision above shall not apply.

In calculating overtime hours, the following shall be included in the work week: hours actually worked, vacation, sick leave, holidays, show-up and call-in times. To receive credit for overtime hours, the employee must actually work the hours credited or shall be ready for work.

All mandatory overtime and time worked on Memorial Day, Independence Day, and Labor Day shall be distributed as equally as practicable among employees in the same classification. There shall be public posting of hours credited. Premium hours will not be pyramided.

Any sixth (6th) consecutive work day will be paid at one and one-half (1½) times the employee’s regular hourly rate of pay regardless of pay period and any seventh (7th) consecutive work day will be paid at two (2) times the employee’s regular hourly rate of pay regardless of pay period.

Section 6.06 Call-Back, Show-Up Time and Notice of Work Change

No employee shall be deemed to have refused a job offer if the work is to commence within six (6) hours after the employee worked a full shift, provided this shall not apply in an emergency, where all available drivers have been assigned.

Employees not otherwise notified who report for work shall receive two (2) hours’ pay. To qualify for such show-up time pay, the employee is obligated to remain on the job site until such time as released by the Foreman or Operations Manager and to work during this time if called upon to do so by the Foreman or
Operations Manager. If required to work into the third hour or any succeeding hour, the employee shall receive pay for the full hour. If required to work consecutively through the sixth hour, and not into the seventh or eighth hour, the employee shall receive pay for eight (8) hours.

An employee will receive at least seventy-two (72) hours notice when the employee is not to work on any particular day and will give sixty (60) hours notice when the employee desires to take credited time off, except in the case of an emergency or act of God, or when mutually agreed to between the employee and the Board.

6.07 On Call

The term “on call” is limited to a status in which an employee, though off duty, is required by the Employer to be accessible and fully prepared to report for duty on short notice. Whenever practical, the employee will receive clear and written advance notice that will specify the date and hours that he/she is to be “on call.” The scheduling of employees for “on call” duty should be reasonable, thus respecting the employee’s personal life. The Employer shall establish by work rule the expectations associated with the “on call status.”

Effective January 1, 2019, a Mobile Equipment Operator when in "on call" status shall receive three (3) hours straight time cash payment for each 24-hour period "on call." Any employee who is in on call status and who is notified to report for work must report for work to the appropriate supervisor immediately upon being so notified. Any employee who is unable to report for whatever reason or fails to notify their supervisor with an update for an estimated time of arrival within sixty (60) minutes may lose on call compensation for the total off-duty period.

Section 6.08 Split Shifts

There will be no regularly scheduled split shifts.

This section applies only to personal sick leave benefits payable to the employee from the employer's general assets.

(b) An employee may use sick leave as allowed under this section for safety leave, whether or not the employee's employer allows use of sick leave for that purpose for such reasonable periods of time as may be necessary. Safety leave may be used for assistance to the employee or assistance to the relatives described in paragraph (a). For the purpose of this section, "safety leave" is leave for the purpose of providing or receiving assistance because of sexual assault, domestic abuse, or stalking. For the purpose of this paragraph:

(1) "domestic abuse" has the meaning given in section 518B.01;

(2) "sexual assault" means an act that constitutes a violation under sections 609.342 to 609.3453 or 609.352; and

For the purposes of this Article, the terms father-in-law and mother-in-law shall be construed to include the father and mother of an employee’s domestic partner. Additional time off without pay or vacation or compensatory time, if available and requested in advance, shall be granted as may reasonably be required under individually demonstrated circumstances.

The representatives shall have no authority to veto any decision made by the Employer. However, in no instance of this shall this be interpreted as the bargaining unit giving up their rights under MN Stat.471.6161 subd. 5.

All new permanent full time employees will be eligible for health, dental and life insurance benefits on the first day of the month after completion of thirty (30) days of employment. Employees will also be eligible to enroll at the same time in any plan which the Board may maintain such as the MinneFlex Plan, which is a plan qualified under Internal Revenue Code Section 125 to provide special tax advantages to employees.

ARTICLE 12 – LAYOFF, RE-EMPLOYMENT, REINSTATEMENT AND RESTORATION

The MPRB and Unions agree to abide by the current Minneapolis Civil Service Rules relating to Layoff, Re-Employment, Reinstatement and Restoration:

Civil Service Rule 12
Layoff, Re-employment, Reinstatement and Restoration
The purpose of Rule 12 is to establish layoff policies and employee rights and privileges upon re-employment. Re-employment may include call back from layoff or reinstatement/restoration to a list of eligible candidates. An affected person is considered laid off even if that person works in another position or is no longer working in any position.

**12.02 Layoff and Bumping**

Whenever any permanent position is to be abolished or it becomes necessary because of lack of funds, lack of work, or reorganization to reduce the number of employees in the classified service in any department, the department head shall report such pending layoffs to the Human Resources Department. The department will make proper notification to the employees involved.

A. **General Order of Layoff**
   Layoffs shall be made in the following order:
   1. Persons who have no Civil Service standing.
   2. Persons who have been appointed to temporary positions.
   3. Persons appointed to permanent positions.

B. **Layoff Based on Seniority**
   The Employee first laid off shall be the employee in a department who was the last one certified to the class in which reductions are to be made. For the purposes of layoff, and demotion due to layoff, there are two departments in the City:
   1. General City
   2. Park Board

C. **Layoff Resulting from Abolishment of Position**
   Employees who are laid off due to abolishment of position will be placed on the layoff list for their classification. Employees who have at least two years of city seniority will have the right to bump an employee of lesser seniority who was last certified to a lower classification previously held by the laid off employee, provided the laid off employee meets the current minimum qualifications, is qualified to perform the work and satisfactorily completed probation of such lower classification.

D. **Layoff for Medical Reasons and re-employment**
   When an employee, because of illness or medical condition, cannot perform the duties of their job, the department may, upon appropriate medical verification, layoff the employee. An employee who has been laid off for medical reasons may be re-employed in a vacant position in the same class within three years of the layoff provided the employee meets current minimum qualifications and including any physical or licensing requirements and is medically released to work. The department may require a satisfactory medical report from the city’s health services provider before re-employment. Failure to receive an appointment within the three years will result in the removal of the employee’s name from the layoff list. The eligibility of an employee on the layoff list shall be extended for the period of military service upon
appointment within the three years will result in the removal of the employee's name from the layoff list. The eligibility of an employee on the layoff list shall be extended for the period of military service upon notice by the employee on the layoff list shall be extended for the period of military service upon notice by the employee to the Human Resources Department of such military service.

E. Refuse and Recycling Crewleader

In the event the Refuse and Recycling Crewleader returns to a vacant position in the job classification of Equipment Operator with no break in Park Board employment, they will return to their original Equipment Operator seniority. The Board will include the Refuse and Recycling Crewleader in Equipment Operator seniority list indicating a placeholder of where the individual would fall in seniority should that individual be returned to Equipment Operator.

12.03 Exceptions to Layoff Procedures

The following exceptions to the layoff procedures may be observed when applicable:

A. Whenever a department and the employees (via their union, if represented) affected agree upon a basis for layoff and re-employment in a certain position or group of positions; and if this agreement is approved by the Human Resources Department, then employees will be laid off and re-employed upon that basis.

B. Regardless of the official priority of layoff, an employee may be retained on an emergency basis for up to fourteen days longer to finish an assignment.

12.04 Re-Employment of Laid Off Employees

Any employee in the classified service who has been laid off may be re-employed without examination in a vacant position of the same class within three years of the layoff. An employee recalled from layoff who declines an appointment, no longer meets the current qualifications for the job including any physical or licensing requirements or is unable to perform the essential functions of the job will be removed from the layoff list unless a waiver for satisfactory reason is approved by the Human Resources Department. Failure to receive an appointment within the three years will result in the removal of the employee’s name from the layoff list. The eligibility of employees on the layoff list shall be extended for the period of military service upon due notice by the employee to the Human Resource Department of such military service.

12.05 Reinstatement of Employees Who Resigned from The Classified Service

Former City employees may be reinstated to the top of an open list of eligible candidates for the class they last held providing the conditions listed below are met. However, if no vacancies exist in the class they last held reinstatement may also be to the open list of a lower level position for which the employee meets the current minimum qualifications and is qualified to perform the work. Conditions for reinstatement are met if:

A. They successfully completed a probationary period in that class;
B. They resigned in good standing;
C. They requested reinstatement within two years of the resignation;
D. They completed a satisfactory medical examination if the Human Resources Department determines that such an exam is necessary; and,
E. They did not resign in lieu of discharge.

12.06 Rights of Reinstated Employees

A reinstated employee will, upon appointment, begin to accrue seniority rights, vacation eligibility, sick leave, and other Civil Service rights and benefits the same as any other new employee. Except for a special provision relating to credit for vacation increments (See Rule 15), service prior to resignation will not be credited to a reinstated employee for purposes such as: fulfilling in-service time requirements for competing in promotional examinations, computing seniority in promotional exams, determining order of layoffs, etc.

12.07 Restoration to Open List of Eligible Candidates

A person who meets one of the following conditions may be restored to the bottom of an open list of eligible candidates, one time only, at the discretion of the Human Resources Department under the following circumstances:

A. Was removed from a list of eligible candidates;
B. Resigned in good standing during probation and not in lieu of termination; or

LETTER OF AGREEMENT

Procedures For Loss of Commercial Driver’s License (CDL)

This Letter of Agreement is made and entered into effective January 1, 2013 by and between the Minneapolis Park and Recreation Board (hereinafter the “Board”), and the Minnesota Teamsters Public and Law Enforcement Employees’ Union Local No. 320 (hereinafter the “Union”), collectively the “Parties.”

WHEREAS, the Board realizes their employees are their most valuable assets; and

WHEREAS, the Board has an interest in retaining those assets; and

WHEREAS, the Board and Union share a mutual responsibility to protect the integrity of the job classifications; and

WHEREAS, the Parties recognize that a commercial driver’s license (CDL) is a necessary requirement for the classifications represented by the Union;

NOW, THEREFORE, the Parties agree to the following procedures to be used when covered employees temporarily lose their driving privileges.

All covered employees are required to have in their possession a valid commercial driver’s license (CDL). Any employee must immediately report in writing within forty-eight (48) hours to the Foreman or Park Operations Manager any disqualification, meeting the Commissioner of the Minnesota Department of Public Safety authority for removal of the privilege to drive commercial motor vehicles for a specific period under Minnesota Statute § 171.165 Subd. 6a. Employees must notify the Foreman or Park Operations Manager of the revocation or restriction of their driver’s license or denial of their driving privileges for any reason including, but not limited to, speeding tickets, unpaid parking tickets, lack of vehicle insurance, DWI or DUI or having physical or mental disabilities under Minnesota Statutes § 171.04, 171.13 and 171.14. “Disqualification” or “disqualify” means the commissioner’s removal of the privilege to drive commercial motor vehicles for a specific period under Minnesota Statutes § 171.165.

This Letter of Agreement does not apply to any covered employee who fails to report the change in status as required.

This Letter of Agreement applies only to an employee’s first loss of his/her CDL.
Loss of a valid CDL is a violation of the terms and conditions of employment with the Minneapolis Park and Recreation Board, of Civil Service Rule 11.03.A.4 and Minneapolis Park and Recreation Board Work Rules. This violation is cause for disciplinary action.

For the first forty-five (45) calendar days following the initial event the Minneapolis Park and Recreation Board will keep the employee on full time employee status; this will be accomplished using a combination of the days the employee retains his/her CDL privilege (currently seven (7) calendar days), the employee first using his/her accrued vacation, compensatory time, and finally Leave of Absence Without Pay for personal convenience. If the employee must use Leave of Absence Without Pay for personal convenience during the first forty-five (45) calendar days following the initial event, the Minneapolis Park and Recreation Board agrees to pay the employer’s portion of health/dental/life/long term disability benefits for this period.

If on the forty-sixth (46) calendar day following the initial incident the employee has not regained his/her driving privileges, the employee will be placed on Leave of Absence Without Pay for personal convenience per Civil Service Rule 14.04.F for a period of up to one (1) year from the date of the initial event, except if the employee chooses to exhaust accrued vacation and compensatory leave benefits prior to starting the Leave of Absence Without Pay. In all instances, the total time shall not exceed thirteen (13) calendar months after the initial incident. If the employee regains his/her CDL privilege during the thirteen (13) calendar month period following the initial incident. The employee will be returned to his/her permanently certified position if he/she meets all of its qualifications. If a job vacancy no longer exists, the lowest senior employee will be put on layoff status for a period of up to three years in order to create a vacancy for the returning employee.

This Letter of Agreement expires on December 31, 2021.

The Parties have caused this Letter of Agreement to be executed by their duly authorized representatives whose signatures appear below.

A. No employee shall be under the influence of any drug or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment, except pursuant to a valid medical reason or when approved by the Employer as a proper law enforcement activity.

B. No employee shall use, possess, sell or transfer drugs, alcohol or drug paraphernalia while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery or equipment, except pursuant to a valid medical reason or when approved by the Employer as a property law enforcement activity.

C. No employee, while on duty, shall engage or attempt to engage or conspire to engage in conduct which would violate any law or ordinance concerning drugs or alcohol, regardless of whether a criminal conviction results from the conduct.

D. As a condition of employment, no employee shall engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace.

E. As a condition of employment, every employee must notify the Employer of any criminal drug statute conviction no later than five (5) days after such conviction.

F. Any employee who receives a criminal drug statute conviction, if not discharged from employment, must within thirty (30) days satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency.
The Employer shall notify the granting agency within ten (10) days after receiving notice of a
criminal drug statute conviction from an employee or otherwise receiving actual notice of such
conviction.

3. PERSONS SUBJECT TO TESTING

All employees are subject to testing under applicable sections of this policy. However, no person will be tested
for drugs or alcohol under this policy without the person's consent. The Employer will request or require an
individual to undergo drug or alcohol testing only under the circumstances described in this policy.

4. CIRCUMSTANCES FOR DRUG OR ALCOHOL TESTING

The Employer may request or require an employee to undergo drug and alcohol testing if the Employer or any
supervisor of the employee has a reasonable suspicion related to the performance of the job that the
employee:

A. Is under the influence of drugs or alcohol while the employee is working or while the
employee is on the Employer's premises or operating the Employer's vehicle, machinery, or
equipment; or

B. Has used, possessed, sold or transferred drugs, alcohol or drug paraphernalia while the
employee was working or while the employee was on the Employer's premises or operating
the Employer's vehicle, machinery or equipment; or

C. Has sustained a personal injury as that term is defined in Minnesota Statutes §176.011, Subd.
16, or has caused another person to die or sustain a personal injury; or

D. Was operating or helping to operate machinery, equipment, or vehicles involved in a
work-related accident resulting in property damage or personal injury and the Employer or
investigating supervisor has a reasonable suspicion that the cause of the accident may be
related to the use of drugs or alcohol.

Whenever it is possible and practical to do so, more than one Agent of the Employer shall be involved in
reasonable suspicion determinations under this policy.

5. REFUSAL TO UNDERGO TESTING

A. Right to Refuse - Employees have the right to refuse to undergo drug and alcohol testing. If an
employee refuses to undergo drug or alcohol testing requested or required by the Employer,
no such test shall be given.

B. Consequences of Refusal - If any employee refuses to undergo drug or alcohol testing
requested or required by the Employer, the Employer may recommend to the Civil Service
Commission that the employee may be discharged from employment on ground of
insubordination and any other appropriate grounds.
C. **Refusal on Religious Grounds** - No employee who refuses to undergo drug or alcohol testing of a blood sample upon religious grounds shall be deemed to have refused unless the employee also refuses to undergo drug or alcohol testing of a urine sample.

6. **PROCEDURE FOR TESTING**

A. **Notification Form** - Before requesting an employee to undergo drug or alcohol testing, the Employer shall provide the individual with a form on which to (1) acknowledge that the individual has seen a copy of the Employer's *Drug and Alcohol Testing Policy*, and (2) indicate consent to undergo the drug and alcohol testing.

B. **Test Sample** - The test sample shall be obtained in a private setting, and the procedures for taking the sample shall ensure privacy to employees to the extent practicable, consistent with preventing tampering with the sample. All test samples shall be obtained by or under the direct supervision of a health care professional.

C. **Identification of Samples** - Each sample shall be sealed into a suitable container free of any contamination that could affect test results, be immediately labeled with the subject's social security number, be initialed by the subject, and be signed and dated by the person witnessing the sample.

D. **Chain of Custody** - The Employer shall ensure that a written record of the chain of custody of the sample is maintained and ensure the proper handling of the sample in compliance with the provisions of the Minnesota *Drug and Alcohol Testing in the Workplace Act* pertaining to chain of custody.

E. **Laboratory** - The Employer shall use the services of a testing laboratory which meets the criteria established by the Minnesota *Drug and Alcohol Testing in the Workplace Act* pertaining to testing laboratories; however, no test shall be conducted by a testing laboratory owned and operated by the City of Minneapolis.

F. **Methods of Analysis** - The testing laboratory shall use methods of analysis and procedures to ensure reliable drug and alcohol testing results, including standards for initial screening tests and confirmatory tests. The testing laboratory shall perform each test analysis in accordance with the applicable standards of the licensing, accreditation or certification program listed in the Minnesota *Drug and Alcohol Testing in the Workplace Act* in which it participates.

G. **Retention and Storage** - All blood and urine samples that produced a positive test result shall be retained and properly stored by the testing laboratory for at least six (6) months.

H. **Test Report** - The testing laboratory shall prepare a written report indicating the drugs, alcohol, or their metabolites tested for, the types of tests conducted, and whether the test
produced negative or positive test results, and the testing laboratory shall disclose that report to the Employer within three (3) working days after obtaining the final test result.

I. Positive Test Results – In the event an employee tests positive for drug use, the employee will be provided, in writing, notice of his/her right to explain the test results. The employee may indicate any relevant circumstance, including over the counter or prescription medication taken within the last thirty (30) days which may have biased the test.

7. RIGHTS OF EMPLOYEES

Within three (3) working days after receipt of the test result report from the testing laboratory, the Employer shall inform in writing an employee who has undergone drug or alcohol testing of:

A. A negative test result on an initial screening test or of a negative or positive test result on a confirmatory test;

B. The right to request and receive from the Employer a copy of the test result report;

C. The right to request within five (5) working days after notice of a positive test result a confirmatory retest of the original sample at the employee’s expense at the original testing laboratory or another licensed testing laboratory;

D. The right to submit information to the employer within three (3) working days after notice of a positive test result to explain that result; indicate any over the counter or prescription medications that you are currently taking or have recently (within the last month) taken and any other information relevant to the reliability of, or explanation for, a positive test result;

E. The right of an employee for whom a positive test result on a confirmatory test was the first such result for the employee on a drug or alcohol test requested by the Employer not to be discharged unless the employee has been determined by a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency to be chemically dependent and the Employer has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency, and the employee has either refused to participate in the counseling or rehabilitation program or has failed to successfully complete the program, as evidenced by withdrawal from the program before its completion;

F. The right to not be discharged, disciplined, discriminated against, or requested or required to undergo rehabilitation on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test;
G. The right, if suspended without pay, to be reinstated with backpay if the outcome of the confirmatory test or requested confirmatory retest is negative;

H. The right to not be discharged, disciplined, discriminated against, or required to be rehabilitated on the basis of medical history information revealed to the Employer concerning the reliability of, or explanation for, a positive test result unless the employee was under an affirmative duty to provide the information before, upon, or after hire;

I. The right to review all information relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports or acquired information;

J. The right to suffer no adverse personnel action if a properly requested confirmatory retest does not confirm the result of an original confirmatory test using the same drug or alcohol threshold detection levels as used in the original confirmatory test.

8. ACTION AFTER TEST

The Employer will not discharge, discipline, discriminate against, or request or require rehabilitation of an employee solely on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test. Where there has been a positive test result in a confirmatory test and in any confirmatory retest, the Employer will do the following unless the employee has furnished a valid medical reason for the positive test result:

A. **First Offense** - The employee will be referred for an evaluation by a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency. If that evaluation determines that the employee has a chemical dependency or abuse problem, the Employer will give the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency. If the employee either refuses to participate in the counseling or rehabilitation program or fails to successfully complete the program, as evidenced by withdrawal or discharge from the program before its completion, and alcohol or drug abuse prevents the employee from performing the essential functions of the job in question or constitutes a direct threat to property or the safety of others or otherwise constitutes a bona fide occupational qualification, the Employer may discharge the employee from employment.

B. **Second Offense** - Where alcohol or drug abuse prevents the employee from performing the essential functions of the job in question or constitutes a direct threat to property or the safety of others or otherwise constitutes a bona fide occupational qualification, and the employee has previously received one program of treatment required by the Employer within the last five (5) years while an employee of the City of Minneapolis, the Employer may
recommend to the Civil Service Commission that the employee be discharged from employment.

C. **Suspensions and Transfers** - Notwithstanding any other provisions herein, the Employer may temporarily suspend the tested employee or transfer that employee to another position at the same rate of pay pending the outcome of the confirmatory test and, if requested, the confirmatory retest, provided the Employer believes that it is reasonably necessary to protect the health or safety of the employee, co-employees, or the public.

D. **Other Misconduct** - Nothing in this policy limits the right of the Employer to discipline or discharge an employee on grounds other than a positive test result in a confirmatory test, subject to the requirements of law, the rules of the Civil Service Commission, and the terms of any applicable collective bargaining agreement. For example, if evidence other than a positive test result indicates that an employee engaged in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace, the employee may receive a warning, a written reprimand, a suspension without pay for a period not to exceed ninety (90) calendar days, a demotion, or a discharge from employment, depending upon the circumstances, and subject to the above requirements.

9. **DATA PRIVACY**

The purpose of collecting a body component sample of blood, breath, or urine is to test that sample for the presence of drugs or alcohol. A sample provided for drug or alcohol testing will not be tested for any other purpose. The name, initials and social security number of the person providing the sample are requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result is requested to ensure that the test is reliable and to determine whether there is a valid medical reason for any drug or alcohol in the sample. All data collected, including that in the notification form and the test report, is intended for use in determining the suitability of the employee for employment. The employee may refuse to supply the requested data; however, refusal to supply the requested data may affect the person's employment status. The Employer will not disclose the test result reports and other information acquired in the drug or alcohol testing process to another employer or to a third party individual, governmental agency, or private organization without the written consent of the person tested, unless permitted by law or court order.

10. **APPEALS PROCEDURES**

A. Concerning disciplinary actions taken pursuant to this drug and alcohol testing policy, available appeal procedures are as follows:

1) **Non-Veterans on Probation**: An employee who has not completed the probationary period and who is not a Veteran has no right of appeal to the Civil Service Commission.

2) **Non-Veterans After Probation**: An employee who has completed the probationary period and who is not a Veteran has a right to appeal to the Civil Service Commission only a suspension of over thirty (30) days, a permanent demotion (including salary
decreases), or a discharge, if the employee submits a notice of appeal within fifteen (15) calendar days of the date of mailing by the Employer of notice of the disciplinary action.

3) **Veterans:** An employee who is a Veteran has a right to appeal to the Civil Service Commission a permanent demotion (including salary decreases), or a discharge, if the employee submits a notice of appeal within thirty (30) calendar days of the date of mailing by the Employer of notice of the disciplinary action, regardless of status with respect to the probationary period. An employee who is a Veteran has a right to appeal to the Civil Service Commission a suspension of over thirty (30) days if the employee submits a notice of appeal within fifteen (15) calendar days of the date of mailing by the Employer of notice of the disciplinary action. An employee who is a Veteran may have additional rights under the Veterans Preference Act, *Minnesota Statutes* §197.46.

B. All notices of appeal must be submitted in writing to the Minneapolis Civil Service Commission, 250 South 4th Street - Room #100, Minneapolis, MN 55415-1339.

C. An employee who is covered by a collective bargaining agreement may elect to seek relief under the terms of that agreement by contacting the appropriate Union and initiating grievance procedures in lieu of taking an appeal to the Civil Service Commission.

11. **EMPLOYEE ASSISTANCE**

Drug and alcohol counseling, rehabilitation, and employee assistance are available from or through the Employer’s employee assistance program provider(s) (E.A.P.).

12. **DISTRIBUTION**

Each employee engaged in the performance of any federal grant or contract shall be given a copy of this policy.

2019 Health Plan

WHEREAS, the Parties desire to provide quality health care at an affordable cost for the protection of employees, which requires a modification to the current Collective Bargaining Agreement as it relates to the funding of the Health Plan beginning January 1, 2019;

NOW, THEREFORE BE IT RESOLVED, that the parties agree as follows for the period January 1, 2019 through December 31, 2019:

1. The City will offer a medical plan with five (5) provider options. Medica Elect is a managed care model, Medica Choice is an open access model, and Fairview, North Memorial, HealthEast Vantage with Medica, Park Nicollet First with Medica and Ridgeview Community Network are accountable care organizations (ACOs). Medica Self-Insured (“Medica”) is providing certain administrative services, including claims processing, for all plan options.

2. The City will continue a dual medical premium equivalent system that provides incentives for wellness program completion. The monthly medical premiums for subscribers who earn the required wellness program points by August 31, 2019 (the “wellness premiums equivalents”) will be lower than the premiums for subscribers who do not earn the required wellness program points by August 31, 2019 (the “standard premiums equivalents”). Any changes to the wellness program requirements as described in the 2018 My Health Rewards by Medica brochure which is attached hereto and incorporated herein will be agreed upon by the Benefits Sub-committee of the Citywide Labor Management Committee. For 2019, the “wellness premium equivalent” will also apply to all employees who are newly enrolled in the medical plan after June 1, 2018.

3. For the period January 1, 2019 through December 31, 2019, the Park Board will pay $560.00 per month for employees who elect single coverage under the medical plan. For the period January 1, 2019 through December 31, 2019, the Park Board will pay $1,522.00 per month for employees who elect family coverage under the medical plan. The total monthly rate and the respective employer and employee contributions for the period January 1, 2019 through December 31, 2019 are as set forth below.

4. The Park Board will continue the Health Reimbursement Arrangement (“the HRA”) which was established January 1, 2004 to provide reimbursement of eligible health expenses for participating
employees, their spouse and other eligible dependents; and the Voluntary Employees' Beneficiary Association Trust (the "Trust") through which the HRA is funded.

5. The Plan shall be administered by the City or, at the City's sole discretion, a third-party administrator.

6. The City shall designate a Trustee for the Trust. Such Trustee shall be authorized to hold and invest assets of the Trust and to make payments on instructions from the City or, at the City's discretion, from a third-party administrator in accordance with the conditions contained in the HRA. Representatives of the City and up to three representatives selected by the Minneapolis Board of Business Agents shall constitute the VEBA Investment Committee which shall meet periodically to review the assets and investment options for the Trust.

7. The Park Board shall pay the administration fees for HRA members who are current employees and other expenses pursuant to the terms of the HRA. HRA members who have separated from service will be charged the administration fee.

8. The Park Board will contribute to the HRA in the annual amount of $1,080.00 for employees who elect single coverage and $2,280.00 for employees who elect family coverage in the City of Minneapolis Medical Plan. Such Park Board contributions shall be made in semi-monthly installments equal to one-twenty fourth (1/24) of the designated amount and shall be considered to be contract value in the designated amount.

9. The Parties agree that, except for City contributions to the HRA, incentives, discounts or special payments provided to medical plan members that are not made to reimburse the member or his/her health care provider for health care services covered under the medical plan (e.g., incentives to use health club memberships or take health risk assessments) are not benefits for the purposes of calculating aggregate value of benefits pursuant to Minn. Stat. § 471.6161, Subd. 5.

10. Future cost sharing of premium costs between the employer and employees for medical plan premium equivalents will be determined by the Benefits Sub-committee of the Citywide Labor Management Committee; however, absent a subsequent agreement, the Park Board shall bear 82.5% of any aggregate medical premium equivalent increase and the employees shall bear 17.5% of any aggregate medical premium equivalent increase.

11. The unions shall continue to be involved with the selection of and negotiations with the medical plan carrier.

12. This agreement does not provide the unions with veto power over the City's decisions.

13. This agreement does not negate the City's obligation to negotiate with the unions as described by Minn. Stat. § 471.6161, Subd. 5.

14. The terms of this agreement shall be incorporated into the Collective Bargaining Agreement as appropriate without additional negotiations.
