Park that Gardener is Applying to

Second Choice Park

(If first choice is unavailable)

If assigned an individual plot, what is the intended use?

- Edibles
- Ornamentals
- Both

Do you have access to any other growing space outside of the parks?

- Yes
- No

Why do you want to garden in a Minneapolis Park?

What connection do you have with the park you are applying to? Do you spend time nearby? Is it a park you visit or walk past regularly? Anything else?

What will you do with what you grow?

Have you read and do you understand MPRB's community garden policy?

- Yes
- No

Are you interested in applying to be the community garden lead?

- Yes
- No

Please note: Preference will be given to Minneapolis residents with some connection to the park in which they will garden, those who will grow edible plants, and those who have no access to other growing space. Applications will further be weighted on the open-ended responses.

Optional: How do you identify your race or ethnicity (check all that apply)?

- White
- Black or African American
- African
- American Indian or Alaska Native
- Asian
- Arab
- Native Hawaiian or Other Pacific Islander
- Hispanic or Latino
- Multi-racial
-

Please note: MPRB is committed to creating a community garden program that ensures racial equity in fresh food access. The responses to the voluntary question about race will be used for the public benefit, as a measurement tool to understand the diversity of interested applicants and help ensure diversity among selected gardeners.
