

# Bde Maka Ska Former Pavilion Site

## 2019 Projects

### August 2019 Update

Since the fire May 2019 and subsequent demolition of the pavilion at Bde Maka Ska, Minneapolis Park & Recreation Board staff have been working to restore basic services at the site and provide a short-term solution for use of the site until a long-term solution is determined. The following work is planned to be complete by end of October 2019. Visit [minneapolisarks.org/bmspav](http://minneapolisarks.org/bmspav) for more information.

#### Drinking Fountain

Install new ADA-accessible drinking fountain with pet fountain.

#### Electrical

Provide electrical connection and restore existing power for concession vendors.

#### Pavement

Install pavement "cap" over remaining building floor and foundation to smooth site.
