The Minneapolis Park System

The Minneapolis Park and Recreation Board (MPRB) features 251 park properties, including local and regional parks, playgrounds, golf courses, gardens, picnic areas, biking and walking paths, nature sanctuaries, 49 recreation centers and the 55-mile Grand Rounds National Scenic Byway.

The nine-member Board of Commissioners is an independently elected, semi-autonomous body responsible for maintaining and developing the Minneapolis Park system to meet the needs of citizens of Minneapolis. This unique structure allows independent decision-making so the MPRB can efficiently manage the park system and serve the diverse park and recreation needs of the city.

Mission

The Minneapolis Park and Recreation Board shall permanently preserve, protect, maintain, improve, and enhance its natural resources, parkland, and recreational opportunities for current and future generations.

The Minneapolis Park and Recreation Board exists to provide places and recreation opportunities for all people to gather, celebrate, contemplate, and engage in activities that promote health, well-being, community, and the environment.

Ranked Best Park System

The Minneapolis Park System has been rated #1 in America by the Trust for Public Land’s ParkScore index among the 100 largest U.S. cities.

ParkScore ratings are based equally on three factors: park access (percent of residents within one-half mile of a park); park size (city size and percent of city area dedicated to parks); and services and investment (number of playgrounds and per capita park spending).

Registration begins on October 23 at 12 pm (noon) for winter/spring sports.
Renting your Parks and Recreation Centers

We want you to use your park facilities to their full potential! Individuals and groups are encouraged to use the centers and park spaces for self-directed activities.

Meeting Spaces

We offer many types of meeting and open spaces throughout the entire park system for all your meeting needs. Groups may be public and/or private agencies, organizations, businesses, or more informal. There are different permit requirements and special use fees, depending on the use.

Weddings and Receptions Hold your wedding ceremony at one of the park system’s many reservable, picturesque settings, including Lyndale Rose Garden, Minnehaha Park, the Mississippi Riverfront and Theodore Wirth Park.

Birthday Parties Make your child’s birthday party special! We are committed to making your child’s birthday a fun and memorable event in the parks.

Meetings and Conferences Let us host your next meeting, workshop or conference in one of the recreation centers.

Courts and Fields

No matter where you live in Minneapolis, you are never too far from a sports field or court. Hundreds of tennis and basketball courts are available, as well as fields for baseball, softball, cricket, football, field hockey, soccer, lacrosse, rugby and more. Most athletic fields may be rented for scheduled practices and games. Some parks offer single fields, and others offer multiple field sports complexes which can be rented for tournaments. Neiman Sports Complex features eight full-size soccer fields, two baseball fields, two youth baseball/fastpitch softball fields, and one adult softball field.

Any user wishing to reserve an athletic facility must fill out and submit an application form found on the MPRB website. All MPRB owned facilities will be reserved through the following process:

Ongoing blanket permits Permit reservations for multiple ongoing dates of usage or at regional facilities are permitted through the citywide permit coordinator in the Athletics and Aquatics Department.

Week to week permits at park facilities Park facilities are permitted on a week to week basis through full-time recreation staff at recreation centers.
When to Register  Registration will begin on October 23 at 12 pm (noon). Registration is required for all programs, trips and free activities. You are not considered registered until you have paid all fees and you receive a confirmation via email. When registering in person, ask for a receipt.

Class Transfers  You may transfer classes with no fee penalty and you must make them at least one week prior to the class start date assuming there is availability.

Missed Classes  We do not issue refunds for missed classes or for quitting after the class start date.

Up-to-the-Minute Activities  New and fun activities are sometimes added after this publication goes to print. Look on ActiveNet for the most up-to-date activities.

Fee Assistance  The Minneapolis Park and Recreation Board Fee Assistance Program assists Minneapolis residents when financial limitations occur. Eligibility for the program is determined by meeting the current income guidelines, completing an application and providing documentation. Fee assistance is for the instructional portion of fees only and not for supplies, extra fees, or admission costs for field trips.

Inclusion Support  Services are available for children and adults with disability related needs who participate in Minneapolis Park and Recreation Board programs. Please contact the Therapeutic Recreation and Inclusion Coordinator at the time of registration to discuss options for successful inclusion. Email inclusion@minneapolisparks.org, call 612-499-9144, or use your preferred Telecommunications Relay Service.

ADA  In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990, the Minneapolis Park and Recreation Board will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

How to Use this Catalog

Refunds  Refund requests must be submitted to the location or department where the program is being held. These procedures include all recreation center programs.

If the Minneapolis Park and Recreation Board (MPRB) cancels a program, all registration fees will be fully refunded.

• Programs may be canceled due to low enrollment.
• If a program is canceled, every attempt will be made to give registrants at least 48 hours’ notice.
• Refunds will be offered for registrant conflicts that are due to schedule changes initiated by the MPRB

Refunds due to customer cancelation will be as follows:

In lieu of reduced refunds or administrative fees charges, 100% of the registration fee can be added on your account for future registration fees.

• Cancellation of more than 15 business days before the start of the program: a full refund minus a $5 administrative fee.
• Cancellation of 8 to 15 business days before the start of the program: a 50% refund.
• No refund will be given for cancellations 7 or less business days prior to the start of the program.
• If a cancellation is due to a medical reason or other family circumstance, it can be reviewed by the full-time staff on a case-by-case basis.
• Refunds can only be made by a full-time certified staff.
• Fees for transfers from one MPRB program to another will be reviewed on a case-by-case basis and may be allowed without a penalty.
• If a program is canceled due to weather, refunds may be made on a case-by-case basis

Absolutely no refunds will be given for participant no-shows

Monday–Friday
September 3, 2019–June 5, 2020

Affordable, Quality School-Age Childcare

The Minneapolis Park and Recreation Board offers Rec Plus for children in kindergarten-6th grades at neighborhood recreation centers. Rec Plus enables children to experience the positive benefits of a balanced recreation program and provides a safe environment that promotes healthy physical and social development.

Rec Plus operates before and after school, summer and on school release days, depending on the site. The program offers children opportunities to exercise, make new friends, gain confidence and have fun. Activities include games and sports, arts and crafts, homework help, field trips and nutritious snacks.

Contact your desired Rec Plus site for availability and registration information. Full-time and part-time spots are available. Space is limited per site. Rec Plus follows the Minneapolis Public Schools schedule.

Release Days are an option for all children (including those not enrolled in Rec Plus) who only need childcare on school release days. Space is limited and you must register a minimum of two weeks in advance. We offer nine school release day sites.
Preschool

Southwest area parks preschool will focus on social interactions and social skills for preschool age children, with emphasis on sharing, working together, taking turns, problem-solving, listening and following multi-step directions. We will also include academic curriculum into our day, working on letters, numbers, colors and shapes, and of course lots of fun! Children must be potty trained. Payments plan and scholarships are available.

Open Futsal
Futsal is a game played between two teams of five players each. Unlimited substitutions are permitted. Unlike some other forms of indoor football, the game is played on a hard court surface delimited by lines; walls or boards are not used. Futsal is also played with a smaller ball with less bounce than a regular football due to the surface of the pitch.

Citywide Youth Sports Leagues

The MPRB Athletic, Aquatics and Ice Arena Department provides positive recreation experiences for youth ages 9-18. These experiences help our youth develop new physical and social skills in a fun, participatory and safe environment under the guidance of knowledgeable and supportive coaches. In this way Youth Sports programs contribute to the individual’s physical, social, emotional, cultural and educational growth and development.

Registration Information

For more information, stop in or call your local park. You may need to register directly through a specific activity council (separate from but in cooperation with parks).

FAQ

Will I need to purchase additional equipment in order for my child to participate?

Equipment needs vary by sport and/or Recreation Center. Please check with your Recreation Center prior to registration.

How is my child’s age division determined?

By pre-established age guidelines set by the Youth Sports Department. Age verification in the form of a birth certificate, baptismal certificate, immunization card, certification from school administration, etc. is required for participation.

How many days per week will my child practice?

On average, the team will practice 1-2 times per week.

How many games will my child play?

On average, the team will play games 1-3 times per week, for a total of 8-12 games per season.

Where will my child practice and play games?

Practices will take place at your recreation center or at a nearby facility. The majority of games will be played within the city limits of Minneapolis.

How will I receive information about practices and games?

Information about practices and games will come from your recreation center. Game information will also be available online at www.teamsideline.com/minneapolis.

How will I know if a practice or game is cancelled?

Practice cancellation information will be provided by your recreation center.

Sports Leagues by Season

Note that practices may start 14-30 days prior to the month indicated, depending upon the site.
