The Minneapolis Park System

The Minneapolis Park and Recreation Board (MPRB) features 251 park properties, including local and regional parks, playgrounds, golf courses, gardens, picnic areas, biking and walking paths, nature sanctuaries, 49 recreation centers and the 55-mile Grand Rounds National Scenic Byway.

The nine-member Board of Commissioners is an independently elected, semi-autonomous body responsible for maintaining and developing the Minneapolis Park system to meet the needs of citizens of Minneapolis. This unique structure allows independent decision-making so the MPRB can efficiently manage the park system and serve the diverse park and recreation needs of the city.

Mission

The Minneapolis Park and Recreation Board shall permanently preserve, protect, maintain, improve, and enhance its natural resources, parkland, and recreational opportunities for current and future generations.

The Minneapolis Park and Recreation Board exists to provide places and recreation opportunities for all people to gather, celebrate, contemplate, and engage in activities that promote health, well-being, community, and the environment.

Ranked Best Park System

The Minneapolis Park System has been rated #1 in America by the Trust for Public Land’s ParkScore index among the 100 largest U.S. cities.

ParkScore ratings are based equally on three factors: park access (percent of residents within one-half mile of a park); park size (city size and percent of city area dedicated to parks); and services and investment (number of playgrounds and per capita park spending).

We want you to use your park facilities to their full potential! Individuals and groups are encouraged to use the centers and park spaces for self-directed activities.

Meeting Spaces
We offer many types of meeting and open spaces throughout the entire park system for all your meeting needs. Groups may be public and/or private agencies, organizations, businesses, or more informal. There are different permit requirements and special use fees, depending on the use.

Weddings and Receptions Hold your wedding ceremony at one of the park system’s many reservable, picturesque settings, including Lyndale Rose Garden, Minnehaha Park, the Mississippi Riverfront and Theodore Wirth Park.

Birthday Parties Make your child’s birthday party special! We are committed to making your child’s birthday a fun and memorable event in the parks.

Meetings and Conferences Let us host your next meeting, workshop or conference in one of the recreation centers.

Courts and Fields
No matter where you live in Minneapolis, you are never too far from a sports field or court. Hundreds of tennis and basketball courts are available, as well as fields for baseball, softball, cricket, football, field hockey, soccer, lacrosse, rugby and more. Most athletic fields may be rented for scheduled practices and games. Some parks offer single fields, and others offer multiple field sports complexes which can be rented for tournaments. Neiman Sports Complex features eight full-size soccer fields, two baseball fields, two youth baseball/fastpitch softball fields, and one adult softball field.

Any user wishing to reserve an athletic facility must fill out and submit an application form found on the MPRB website. All MPRB owned facilities will be reserved through the following process:

Ongoing blanket permits Permit reservations for multiple ongoing dates of usage or at regional facilities are permitted through the citywide permit coordinator in the Athletics and Aquatics Department.

Week to week permits at park facilities Park facilities are permitted on a week to week basis through full-time recreation staff at recreation centers.

Our leaders of tomorrow begin with our youth of today!

Youthline is a unique program celebrating diverse talents, building life skills, and engaging the interests of youth ages 12 to 17. Activities are held in structured environments where youth feel safe and focus on life skills, sports, arts, trips and service learning.
