Mpls Park & Recreation Board  
Citywide Survey  
QUESTIONS FINALIZED JULY 2019

Hello, I'm \_\_\_\_\_ with the Morris Leatherman Company, a research firm located in Minneapolis. We have been hired by the Minneapolis Park and Recreation Board to speak with a random sample of residents about their satisfaction with current facilities and services. It will also determine future recreation facilities and offerings and provide input for the next comprehensive plan, which guides the future actions for the Minneapolis Park Board and staff. This survey is being conducted because the Minneapolis Park Board and staff are interested in your opinions and suggestions. I want to assure you that all individual responses will be held strictly confidential; only summaries of the entire sample will be reported.

If you're not familiar with the Minneapolis Park and Recreation Board, it operates and maintains 180 park properties totaling more than 6,800 acres of land and water. The park system includes 49 recreation centers, playgrounds, more than 100 miles of trails, wading pools, outdoor ice rinks and much more.
