PROPOSED IMPROVEMENTS
Eloise Butler Wildflower Garden & Bird Sanctuary

Elements to be incorporated into the Entrance Area
- Small natural play area
- Nature-inspired artwork
- Native plantings
- Accessible path
- Gathering/outdoor classroom space
- Hard-surface, accessible paths outside of Garden to lookout points of Maple Bowl

Look, placement, and functionality of the design elements will be decided later in the design process.

*Specific placement of the fence line to be decided later in the design process. We currently don’t envision this fence shift to impact existing With Park paths adjacent to the Garden.
