Cedar Lake-Lake of the Isles Master Plan
Selection Committee
FAQ Sheet

What is the role of the Selection Committee?
The Selection Committee is responsible for making a recommendation for the eight open seats on
the Community Advisory Committee (CAC) alongside the nine appointed seats by the Board of
Commissioners. There are 17 seats in total. Slate recommendations will go to the Board of
Commissioners for approval. Learn more about the Cedar-Isles project and CAC process at
www.minneapolisparks.org/cedar-isles.

The CAC Selection Committee should appoint individuals that represent one or more of the
identities/perspectives listed below to ensure diversity on the CAC. This is not an exhaustive or
conclusive list, and categories should be based on self-identification, and not assumption.

Time Commitment
We anticipate Selection Committee members will participate in one two-hour meeting at MPRB Headquarters, 2117 W. River Road, in either February or March of 2020.

The meeting will most likely consist of:

- Reviewing applications for all candidates who have applied to sit on the CAC
- Reviewing applicants of the 9 appointed CAC members by the Board of Commissioners
- Identifying which demographics/perspectives are still needed on the CAC based on the 9 appointments
- Selecting and recommending candidates for the 8 seats and 4-5 runner-up candidates for the Cedar-Isles master plan Community Advisory Committee. These recommendations will be brought to our Board of Directors for final approval.

Is there a chance that I will be turned away if turnout is high for the Selection Committee?
No organization will be turned away to participate on the Selection Committee. We welcome local, citywide, and regional groups and organizations; there is no cap to how many organizations can participate. We will facilitate the meeting to accommodate the amount of organizations that show up.

If two people from one organization show up to represent the same organization, staff will ask the representatives to decide who will stay to represent that group or organization since there is only one spot per organization.

How do I sign up to be on the Selection Committee?
Organizations who are interested in participating in the meeting can RSVP here: https://www.surveymonkey.com/r/Cedar-IslesSelectionRSVP. This will ensure that MPRB staff is able to send additional information about meeting to the correct contact.

Organizations who have not RSVP’d beforehand are still welcome to participate in the meeting.
