Community Advisory Committee (PAC) Meeting Seventeen

Minneapolis Park and Recreation Board
Pesticide Advisory Committee Meeting

December 16, 2019 5:00 – 7:00pm
Board Conference Room

PAC members present: Alex Roth, Russ Henry, Mike Lynch, Simba Blood, James Calkins, Jack Mackenzie, Kari Christianson

4 members of the public attended the meeting.

Staff, commissioners, and speakers present:
Jeremy Barrick, (MPRB), Kait Ryan and Roberta Groening (MPRB)

1. Welcome
- Previous meeting notes were reviewed and accepted.

2. Updates/Check-in
   - Assistant Superintendent for Environmental Stewardship, reviewed process and procedures for appearing before the board.
   - Committee reviewed open positions on the Pesticide Committee and reviewed next steps in appointing new members;
   - Application period closes on December 18th with the hope of having new members on board by January 2020.
   - Members then discussed items to be included in board presentation (which will be an attachment to these notes) and brainstorming for items to be included in the Community Engagement and IPM processes.

3. Open time
   - A member of the public expressed her hope that the process of electing members to the Pesticide Advisory committee be de-colonized.

4. Thank you and adjourn
   Meeting was adjourned at 6:55pm
