

EVENT PLANNING TIDBITS

Goals and Planning: Advice for golf event planning:

- Small committee allows to keep planning moving along and decision making simple.
- This helps maintain clear communication and expectations.
- Goals: What do you hope to gain out of the event? Are you fundraising? Honoring employees? Entertaining clients?
- Social Media at its best. Get creative, make one of a kind long lasting memories to help tell your story!

Signage: Nothing tells a story like branding your event with signature signage:

- Recognize sponsors, brand your business, or share facts on your initiatives.
- Personalized Cart Signs and Scorecards available for an add-on.

Scramble Format: In an effort to keep the event moving along and guests at all skill levels to have an enjoyable experience, the Scramble format is the most common.

- Teams of four people select the best drive, the best second shot, and so on, until the ball is in the cup.
- Utilize Gallus Golf app for games, registration, live standings
