Recreation Plus
Affordable, Quality School-Age Childcare

Monday–Friday, September 8, 2021–June 10, 2022

The Minneapolis Park and Recreation Board offers Rec Plus for children in kindergarten through grade 6 at neighborhood recreation centers. Rec Plus enables children to experience the positive benefits of a balanced recreation program and provides a safe environment that promotes healthy physical and social development.

Rec Plus operates before school and after school, summer and on school release days. The program offers children opportunities to exercise, make new friends, gain confidence and have fun. Activities include games and sports, arts and crafts, homework help and a snack.

Contact your desired Rec Plus site for availability and registration information. Full-time and part-time spots are available. Space is limited per site. Rec Plus follows the Minneapolis Public Schools schedule.
