CAC Charge

The CAC Charge states that the Cedar-Isles Community advisory Committee members shall:

- become knowledgeable about the MPRB master planning process;
- understand the history of the park land and how it may inform future design and policy decisions;
- understand and balance the complexities between programming and recreation needs with natural space and preservation needs;
- understand the values and needs for the Minneapolis regional park system and its community and the values and needs of the local community;
- inform and listen to community about the project;
- help identify communities, organizations, user groups, populations and others that should be consulted in the engagement process;
- report back to appointers or appointing bodies, as requested, on the plan process, information presented, and possible recommendations;
- engage in working groups and subcommittees as needed;
- provide feedback on a draft plan;
- make recommendations about the project to the MPRB Board of Commissioners; and
- abide by the CE Policy.
