I want to support swim instructor The downtown skyline would be visible from the roof top. Imagine a semi covered rooftop patio. I like the waterpark at Golden Valley Rd, puts activity up front; You need to be able to see the water park from the road. The existing center is worth keeping because of its share community history Putting the building up a Golden Valley Road could make the park feel private. I like the space greenery where the fence is. This brings greenery from the streets. I like saving the building because it is fiscally responsible. Entrance doesnt really feel like it because it is really far from the street Building is very blocky.
