# Minneapolis Park & Recreation Board

## *PERMIT APPLICATION PROCEDURES, REGULATIONS AND GUIDELINES*

### **PROCEDURES**

1. Applicants should pick a specific Facility and date for the rental. Applicants are encouraged to pick an alternative Facility and/or date in the event an applicant's first choice is not available
2. Applicants are required to complete all sections of this application. All proposed activities and events are subject to the approval of the Minneapolis Park & Recreation Board (herein after "MPRB"). The MPRB will not consider the application if it is incomplete. If you have questions please email [jbartsh@minneapolisparks.org](mailto:jbartsh@minneapolisparks.org).
3. Applications may be found online at the MPRB website ([www.minneapolisparks.org](http://www.minneapolisparks.org)) or at the MPRB Headquarters, 2117 West River Road, Minneapolis, MN 55411. Submittal of the Athletic Facility Permit Application can be brought in person, or sent via email, or mail to the MPRB Headquarters (2117 West River Road, Minneapolis, MN 55411). Submittal of an Athletic Facility application does not grant a permit or confirmation to conduct the event. All applications are subject to review and are to be submitted at least 30 days prior to event date unless otherwise authorized under the MPRB policies.
4. The permit application process opens at 9:00am on November 13, 2023 for returning permit holders. Priority deadline for returning permit holders is 4:30pm on January 19, 2024. After the priority deadline permit applications are reviewed on a first come first serve and availability basis. Not all applications are guaranteed a permit for field use. Permits are granted to user groups according to the priority list and field availability. The Minneapolis Park and Recreation Board reserves the right to cancel a permit at any time.
5. Permit reservations for multiple dates of usage at Park Facilities and Regional Facilities go through the Athletics and Aquatics Department. Single use dates at Park Facilities go through the Recreation Staff at the Recreation Center.

### **PRIORITY OF USAGE**

1. Minneapolis Parks & Recreation Board programs (MPRB)
2. MPS K-12 program (including athletics and Community Education programs)
3. Returning permit holders from 2023 requesting similar dates and hours from the previous year
4. New community groups and organizations

If the MPRB receives more than one application for the same Facility and date, priority shall be given to the Returning Event that has been granted a permit for the previous year. In the event that the above priority fails to determine which applicant will be granted the permit, then the permit shall be granted to the applicant who submitted their application first. If this fails to determine the Permittee, the granting of the permit shall be decided by a flip of a coin where the applicants are invited to be present. The MPRB reserves the right to cancel or not issue permits due to construction and/or maintenance of MPRB Property.

6. All applications will be required to ensure the event is accessible to people with disabilities. In this case, the applicant agrees that reasonable modifications to conduct the event shall be provided at the expense of the applicant. When such is required, the applicant shall consult with MPRB staff regarding resources to provide the modification necessary. These include but are not limited to changes in rules and policies, providing extra staff and volunteers, providing auxiliary aids and services such as sign language interpreters, assistive listening systems, large print brochures/maps, removing architectural barriers at elements provided by the applicant and other related activities. The applicant may not impose a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the costs of measures, such as the provision of auxiliary aids or program accessibility.

7. Upon receiving the completed application, the MPRB will contact the applicant by email to confirm the receipt of the application. The application will then be reviewed. The MPRB reserves the right to require additional information/documentation regarding the applicant.

8. Applicants are required to submit a "Certificate of Insurance in the amount of \$250,000/750,000 for bodily injury-\$300,000 property damage with the MINNEAPOLIS PARK AND RECREATION BOARD as an additional insured" for the event and date(s) of all preparation for such event occurring on MRPB property. Applicants assume all responsibility for and hereby agree to indemnify and hold harmless the MPRB against any losses, damages, liabilities, action suits, proceedings, costs or expenses that the MPRB may incur or sustain or for which it may become liable (including, but not limited to, personal and bodily injury to, or death of, persons or damage to property) resulting or arising from the permitted event. The obligation to indemnify and hold harmless the MPRB will survive the termination or expiration of the Permit. This certification is not required at the initial time of application, as it takes time to proceed. The applicant must submit the certification 30 business days prior to the date of the event. An Athletic Facility permit will not be issued if the Certificate of Insurance has not been received.
