Precedent Imagery

Overall Design Inspiration

- Creating connections to nature, water, and people:
  - Native plantings to expand regional habitat,
  - Nature play,
  - Incorporating artistic abstraction of water meandering through design form vocabulary,
  - Incorporating Indigenous forms and plantings, and healing spaces for reflection, and
  - Improving accessibility.

- Incorporating places of discovery, adventure, play, and education

- Artful incorporation of interpretative elements

Future Element

- Picnic Pavilion (30ft x 30ft)
- Staircase with Railings & Native Hillside Plantings
- Large Playground Structure
- Swingset
- Nature Play
- Full Basketball Court with Surface Mural
- Half Basketball Court with Multi-way Hoop
- Learning Gardens
- Artful Gateways Along Entrance Path
Preferred Concept

PREFERRED CONCEPT PLAN - Approved 11.14.22

220805 / Powderhorn Park – Southeast Area Park Improvements

November 14, 2022

Project Elements
- Preserve Existing Lawn/Flexible Event Space
