

Minneapolis Tree Advisory Commission

Membership Roster for 2024

The Minneapolis Tree Advisory Commission (MTAC) was established in 2004 by the Minneapolis Park & Recreation Board (MPRB). The charge of the MTAC is to provide advice on the enhancement of the Minneapolis urban forest and its long-term health. The goals are to coordinate issues related to trees across City jurisdictions; to evaluate issues related to trees; to report annually to the MPRB and City Council; and to explore new ways to acquire resources that increase support for urban forest establishment and management.

There are currently 18 voting MTAC members representing specific agencies and geographic areas of the City. These are as follows:

1. Citizen Representative – At Large: **Tim Keane ***
